Nominations Process

- Only one nomination per candidate is necessary. Additional nominations for a candidate should not be solicited. Additionally, “endorsements” for National Officers are unnecessary. The nominating process will not recognize endorsements of candidates.
- Candidates for elective office are reminded that National bylaws do not permit campaigning for any elective offices.
- All submissions will be forwarded to the National Nominating Committee who will fill the National Officer slate by choosing one candidate per position. (Therefore, since the committee often receives more than one nomination per position, not every nominee will be selected.)
- Nominees will be notified of the National Nominating Committee’s slate of candidates approximately six weeks after the deadline. AGA bylaws stipulate that members may submit petition nominations until February 1, 2011. However, if no petition nominations are received, the Nominating Committee’s slate of candidates takes office.

Submissions and Deadline

- All packages must be received by close of business Friday, October 29, 2010.
- E-submission is required. In an effort to reduce paper flow, AGA will only be accepting nomination materials in an electronic format. Submit one package (National Officer Nomination Form, leadership statement and bio) to the National Officer Nomination confidential drop box at aganomination@gmail.com.

Thank you for your service and leadership.
