Candidates for elective office are reminded that the national bylaws do not permit campaigning for any elective offices. “Endorsements” for national officers are unnecessary and the nominating process will not recognize endorsements of candidates. All submissions will be forwarded to the National Nominating Committee, which will fill the National Officer slate by choosing one candidate per position. Since the committee often receives more than one nomination per position, not every nominee will be selected. Nominees will be notified of the National Nominating Committee’s slate of candidates approximately six weeks after the deadline. AGA bylaws stipulate that members may submit petition nominations until February 1, 2012. However, if no petition nominations are received, the Nominating Committee’s slate of candidates takes office on July 1, 2012.
