The audio conference series has been a huge success over the past few years. With thousands of participants earning two CPE hours for each program, AGA now offers practically monthly audio conferences that provide chapters and group membership agencies a cost-effective and convenient way to provide quality education for members and others in the government accountability profession. They have also attracted thousands of nonmembers, who are encouraged to join AGA.

This offer is only available to AGA chapters and *ADVANTAGE* group membership partners until **July 8, 2009**. Contact **Maria Lucas** with questions or to register. Questions about any of the audio conferences? Contact **Raymond Harris, CGFM**. Not sure what is involved in becoming an *ADVANTAGE* group membership agency? Visit our website.

AGA's Audio Conference Schedule for 2009–2010

AGA is proud to announce its schedule of the very popular audio conference series for the 2009–2010 program year. This cost-effective educational tool is only \$249 per phone line and attendance is unlimited. Just envision a 100-minute radio talk show that provides two CPE hours to the listeners. Further, since the last 20 minutes of the program is devoted to call-in questions, the audio conference provides interaction between the listeners and speakers.

The speakers are subject matter experts and will provide PowerPoint presentations or other handouts for the site coordinators to download and copy, as well as project to a screen, so participants can follow along during the telecast.

CDs of the program will be available soon after the program is completed at a reasonable price. AGA is planning 12 audio conferences this coming program year, although other audio conferences may be added to the schedule as new issues arise.

These telecasts are generally produced in conjunction with the National Association of State Auditors, Comptrollers and Treasurers (NASACT) and the Association of Local Government Auditors. NASACT plans to put on four additional audio conferences during the same period. Thus, you can earn 32 CPE hours from these training experiences.

The audio conferences are routinely held on Wednesdays from 2 to 3:50 p.m. EDT/EST, unless otherwise noted. Please check the AGA website before each audio conference to ensure that there were no changes.
