

Timothy Burke
General Services Administration (GSA)
Travel Management Policy Division
Office of Transportation and Personal Property
Office of Governmentwide Policy

Mr. Burke is the Program Manager of the eTravel Service POM. He leads a team of government travel experts as they support the E-Gov travel initiative outlined in the President's Management Agenda. The eTravel Service provides a world-class travel solution for the government traveler.

In addition, Mr. Burke serves as the Division Director for GSA's Travel Management Policy Division in the Office of Governmentwide Policy (OGP).

Created as a central policy-making office for the Federal Government, OGP works with the Executive Branch to develop policies and guidelines. The Travel Management Policy Division is responsible for establishing travel management policy for the Federal Government and setting domestic per diem rates that affect lodging, meals, incidental expenses and the Federal Premier Lodging Program. Mr. Burke oversees all policy-related matters pertaining to the Federal Government's \$9 billion travel budget.

Mr. Burke's experience includes over 20 years of travel-related management, business and franchise development activity. Prior to GSA, Mr. Burke was Executive Vice President & Principal with WorldTravel Partners, a globally ranked management & technology company. He also served as COO of Concord Resorts, a property management company specializing in rental luxury vacation condominiums, as well as Vice President of Sales & Marketing for the Carlson Travel Group.
