Congressman Tom Davis to Headline March 1st CPAG Breakfast

Thursday, March 1, 2007

7:30 am – 9:00 am

Marriott Metro Center – Washington DC

This is the fourth in a new series of breakfast meetings - *Meet the Financial Management Policy-Makers*. AGA's Leadership Breakfasts bring private sector and government executives together to exchange information, solve issues and build partnership and trust.

Relmond Van Daniker, Executive Director of AGA, will moderate a discussion with **Congressman Tom Davis**, Ranking Member of the Committee on Oversight and Government Reform, which has government-wide jurisdiction over the management of the Federal government.

Congressman Davis will share insight into the challenges facing our government today, the priorities the Committee is setting, and how the Federal government and its partners in the contracting community can work together to achieve success.

There will be time for Q&A from the audience after the discussion. Federal Chief Financial Officers, Chief Information Officers, Inspectors General and representatives from OMB and GAO will participate along with AGA Corporate Partners. Each Corporate Partner organization is allotted two registrations to the Breakfast at the fee of \$100 per person. We expect to have close to 125 participants.
