This conference serves as a capstone to the 2005 Certificate of Excellence in Service Efforts and Accomplishments (SEA) Reporting Program as we recognize all program participants, highlight those SEA reports awarded the Certificate of Achievement and kick off of the 2006 cycle. The conference provides a forum for entities to network, discuss and learn from each other's efforts on preparing easily understandable reports; developing and maintaining a performance measurement system; and making the reports more useful to citizens and management.
