

## Closing the books at a distance... Financial resilience during a crisis

### The current reality

As shock waves propagate through today's business environment our workforce is adapting to social distancing and government orders to stay at home. Accounting and finance professionals will strive to be productive in this environment, recognizing that management's need to understand financial impact and financial reporting requirements remain in place to support the integrity of our markets. "Closing the books at a distance" offers recommendations and support for finance leaders during this crisis.
