### **CGFM**

We have eight active candidates participating in the study group sessions for exam 3. Congrats to our candidates that have passed exams!

We will start exam 2 study group in January after the holidays.... this makes a good new year's resolution if you want to become certified.

Current CGFMs – watch for a survey on your interest and preferences for a CGFM month celebration in March. The survey will help gather information to plan that event.

Our CGFM Director Claudia has continued to host the study sessions while moving across the country and settling her family into their new home in California. Thank you, Claudia!
