President's Message

Misty Hamed, CGFM

Happy New Year Southwest Virginia! May it bring growth, prosperity, and positive achievements.

Our chapter's 2022-2023 Citizen-Centric Report (CCR) was submitted in October for AGA's review and I am proud to share that it received the Recognition of Excellence.

I hope that many of you were able to attend the 28th Annual Commonwealth of Virginia PDT held in December. The Southwest Virginia Spring PDT is scheduled for April 25th and planning efforts will begin soon. If you have any suggestions regarding topics and/or speakers, please let me know.

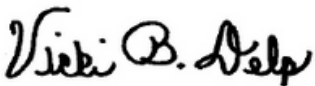

On a national scale, renewal season is upon us! Don't forget to update your membership and encourage your colleagues to join us! The National Leadership Training (NLT) is scheduled for February 28-29, 2023. This two-day hybrid event offers attendees the ability to earn up to 14 CPE's and the opportunity to share best practices, learn about new industry solutions, network, and learn from the top financial management leaders and experts. Mark your calendars for next month's meeting which will be held on February 22nd as to not interfere with members attending NLT.

I'd like to extend a warm welcome to new members John Frank, Nishant Grover, and Jameson Simek. I look forward to "seeing" everyone during our January monthly lunch and learn session on the Federal 1099 Process. Members have the opportunity to earn 1 CPE.
