## MEET OUR PRESIDENT

Amanda Jandt is the South Dakota AGA Chapter President. Amanda has been on the AGA board for 3 years. Amanda was born and raised in Pierre, SD. In May 2021, she graduated from the University of South Dakota in Vermillion with a bachelor's degree in business administration with an emphasis in accounting. After graduation, she started her career with the Bureau of Finance & Management for the State of South Dakota.

In her free time, she enjoys spending time with her family, friends, and her 2 nieces, McKenzie (5 years old) and McKenna (less than 1 month old). She enjoys camping, campfires, knitting dishcloths, crocheting potholders, embroidering Christmas stockings, and working on a 500-1,000-piece puzzle.

Her favorite part of serving on the AGA board is putting together the webinars and social events. Every program year, the board tries to pick the best webinars to attend. She enjoys hearing the webinar topics and ideas for potential speakers at the SD AGA PDC. This year we are trying to increase the social hour events at each webinar and give a chance to meet other chapter members.
