President's Message

By Christy Beck

Welcome to a new year at the AGA Washington, DC Chapter. For this coming year our theme will be: **OPPORTUNITY!** The AGA DC Chapter creates great opportunities for you to meet people, network, and grow personally, and professionally. We offer numerous educational programs, events, and committees for you to participate in during the year. Many thanks to all those who make this possible including our corporate sponsors. Our Chapter Board of Directors and Committee Chairs have been busy this summer planning exciting events. The leadership team has developed an outstanding 2014-2015 program to serve its members. Here are some of our plans:

- **Newsletter** – The newsletter was on hiatus for several months last year but we are bringing it back.
- **Social and Networking Opportunities** - This year we will offer a number of activities to promote networking including special events for our early careers members. Our first event of the year in partnership with the American Society of Military Comptrollers (ASMC) was the July golf outing at Fort Belvoir with over 170 golfers, lunch, and prizes.
- **Educational Opportunities** – The AGA DC chapter is committed to providing low cost education and training. You will find we are a cost effective way to maintain your education credits. We hope to see you at our very popular luncheon series, our two day training in the spring, free webinars/audio conferences, Certified Government Financial Manager (CGFM) courses, and mentoring events. This year we kicked off our lunch series with a visit from the new Controller of the Office of Management and Budget, who everyone was anxious to meet.
- **Community Service** – This is a great way to give back to our community. We have some new affiliations and have expanded our activities.
- **Membership** – Don't forget to renew your membership and recruit your friends and colleagues. We have several initiatives and promotions planned to continue to increase membership with your help.

I am very honored to serve as AGA DC Chapter President. I encourage you to take advantage of the AGA opportunities to further enhance your career and network, and look forward to seeing you at our upcoming events.

Sincerely,

Christy Beck, President, AGA Washington DC Chapter

Note from the Editor

By Tom Harker, Editor

Welcome to the Fall edition of the Washington Connection!

I hope everyone had a nice and enjoyable summer and took some time to enjoy the wonderful and atypically mild weather. Our new team is looking forward to bringing you the Washington Connection this year.

First, we would like to welcome Christy Beck, the new president of the AGA Washington DC Chapter. In the President's Message, Christy outlines the DC Chapter's major goals for this year. Also, I would like to welcome Karen Armandi as a co-editor of the Washington Connection newsletter.

This newsletter is only made possible because of the contribution of articles from the chapter's members. Thank you for all who submitted articles- these articles reflected the depth of knowledge and experience in this group, and the newsletter team is fortunate enough to review and publish these articles. We hope that you enjoy the newsletter and find it helpful for keeping up to date on events in the chapter and in AGA. Our team strives to produce a high-quality newsletter notifying AGA D.C. members of Chapter and National events and services. And, if you are not already a member, we encourage you to join the AGA D.C. Chapter and enjoy the many benefits it offers, in particular the high-quality luncheon series, learning opportunities, and conferences.

Do you have any comments or suggestions regarding the newsletter? Do you have an article you would like to see printed? Have you developed a time-saving process or procedure on the job? Have you traveled to any interesting locations? The Washington Connection requests that you submit any and all items of interest to our federal, state, and local members, including: reviews of recently published books related to financial management; unique travel experiences or assignments; lessons learned on roll-outs of new systems; appointments or promotions; employment opportunities; and noteworthy accomplishments by our members. We also welcome digital photos that accompany your submission. Your articles, comments, and ideas are what make this newsletter go and we welcome all input!

Finally, we are looking for another volunteer to serve on the newsletter team – preferably someone not doing financial reporting or financial statement auditing – who will have more free time in September and October of next year. Please contact tom.w.harker@uscg.mil if you are interested.

Sincerely,

AGA D.C. Chapter Newsletter Editor

Updates to the FY2014 SF-133

Background

Last August, Treasury updated the crosswalk for the SF-133 Report on Budget Execution and Budgetary Resources. While a number of attribute values changed on the crosswalk, I am going to look specifically at the new lines that were added to report on balances from expired funds.

Section I – Schedule of Budgetary Resources

The first section starts out with a listing of beginning balances, adjustments, and authority transfers (including recoveries) ending with an Unobligated balance total on line 1050. In FY2013, the next line after 1050 was appropriations on line 1100, but for FY2014, a new subsection has been added for expired funds on lines 1060 through 1099. These closely parallel the values in the preceding subsection as shown in the chart below. When producing the report for a specific Treasury Symbol (TAS), the values in 1060 through 1099 should either be the same as 1000 through 1050 or all zeros. Because subsection 2 duplicates the amounts in subsection 1, the total from subsection 2 (line 1099) is not included when calculating the section total on line 1910.

Generic Name	All funds	Expired
Unobligated balance brought forward, October 1	1000	1060
Unobligated balance transferred to other accounts	1010	1070
Unobligated balance transferred from other accounts	1011	1071
Unobligated balance transfers between expired and unexpired accounts	1012	1072
Adjustment of unobligated balance brought forward, October 1	1020	1080
Recoveries of prior year unpaid obligations	1021	1081
Capital transfer of unobligated balances to general fund	1022	1082
Unobligated balances applied to repay debt	1023	1083
Adjustment for change in allocation of trust fund limitation	1026	1086
Other balances withdrawn	1029	1089
Unobligated balance (total)	1050	1099

The names of the respective lines are mostly the same except the second subsection's lines include the word "Expired". Line 1060 specifies that unobligated balances in an expired fund are "available for adjustment only". The first subsection includes seven lines (1013, 1024, 1025, 1031, 1040, 1041, and 1042) not included in the second because all the activity on those lines pertain only to unexpired funds. The Standard General Ledger (SGL) Accounts assigned to each line are the same except any account balance that is only for unexpired funds has been excluded from the second subsection, and in the first subsection, account 4199 Transfer of Expired Expenditure Transfers – Receivable was moved from line 1010 to 1012 while in the second subsection, account 4199 remained on line 1070 (which might be an oversight).

Section II – Status of Budgetary Resources

The second section breaks out obligation activity by apportionment category then lists the unobligated amounts by a number of different attributes. Only line 2403 includes expired authority, though this is lumped together with negative anticipations and unapportioned authority. So the FY2014 version adds line 2413 that only shows the amount for expired funds. Because line 2413 duplicates the amounts on line 2403, line 2413 is not included when calculating the subsection total on line 2490 or the section total on line 2500.

Conclusion

Since these new lines mostly duplicate existing lines, it should be fairly straightforward to add them. The main difference is that only expired symbols should be reported on them.

Comments and critiques, as well as specific questions or suggestions for future topics, are always welcome. Send them to Simcha.Kuritzky@CGI.com, and not to the AGA.

Community Service Committee Updates

Thank you for everyone's charitable support during the FY 2014 Chapter year. We successfully raised over \$3,000 in monetary and non-monetary donations to support non-profit organizations throughout the Greater Washington DC area.

To name a few organizations, we've sponsored the following:

- The Fishing School
- The Leukemia & Lymphoma Society
- U.S. Marine Corps Toys to Tots
- Sarah's Circle
- Goodwill of Greater Washington
- Polly Klaas® Foundation

For the new DC Chapter year, we are excited to communicate and support public services that other non-profits are providing throughout the Washington DC area.

Already, we have had several community service projects in FY 2015. Including the following:

- On Sunday, September 7, 2014 AGAers joined the [Fantastic March IV](#), a 5K which winds around the National Mall before returning to the Mandarin Oriental Hotel, Washington DC for a celebratory BBQ. The funds raised were used to purchase "newborn kits" for Unity Health Care, Inc., and assist families in need in Southwest DC.
- In September, the Chapter supported the [Boys and Girls Club of Greater Washington DC](#) (BGCGW). The BGCGW is one of the largest major metro affiliates of Boys & Girls Clubs of America (BGCA). The mission of the BGCGW is to help boys and girls of all backgrounds, especially those who need us most, build confidence, develop character and acquire the skills needed to become productive, civic-minded, responsible adults. Celebrating 128 years of continuous service to children, teens, and families, BGCGW has over 1,200 kids walking through our doors every school day at our 12 sites throughout Washington, D.C., Maryland and Virginia. Through a variety of educational, sports and recreation, health, arts, and character development programs, BGCGW creates a positive environment where children are encouraged to develop their ambitions and build GREAT FUTURES. We hosted a raffle to raise money to support ten (10) member scholarships for youths in Wards 7 and 8 of the District by donating at the September 15th luncheon. We had a representative speak about the organization and collect the donations.
- In October, [Reading Is Fundamental](#) was the Chapter Community Service project, and we donated 50 books for needy kids.

Sincerely,

The Community Service Committee

(Jennifer Nielsen, Darien Thall, and Christine Bang)
