

Happy New Year!!!

The new AGA FY begins July 1st!!!

President's Message~

I just wanted to thank everyone for their outstanding effort in revitalizing the St. Louis Chapter this year. Our membership growth has been excellent! We started out the 2015-2016 fiscal year with 44 members and jumped up to 69 members as of 6/23/2016. One of the biggest reasons why we have been so successful is our members. They believe, truly believe, in our mission "to serve persons interested in the government accountability community by providing quality education at a reasonable cost, supporting professional certifications, promoting professional interaction and networking, recognizing professional and academic achievement, and serving the local community."

I want to thank all of the chapter members who served on the Chapter Executive Committee. They are another huge reason why we are in the position we are today. They volunteered their time to build and mold this chapter into what it is today.

~ Ryan
