We look forward to seeing you at our meeting on November 17th!

President's Message

Curtis P. Joachim, CPA, MBA, CGFM, CGM

It's hard to believe that another 12 months have gone by, they seem to go by so quickly these days. I hope this finds you and your families well, and that you're looking forward to a happy Thanksgiving with your families. There's so much to be thankful for, though at times we have to work a little hard to see beyond the negatives to focus on the glimmers of hope in our situations.

In October we had our second chapter meeting of the year during which we also had a CPE presentation on Cybersecurity for 1 CPE. This was held via Zoom with a pre-registration requirement for attendance tracking and to make it easier to issue CPE certificates. We are looking forward to getting back to using Conferences.i/o in pursuit of NASBA certifications.

As we've done in the past, this month's meeting is being held a little earlier because of the Thanksgiving holiday, and will be via webinar on Thursday November 17, at 11:50 am. During this meeting, we will present our Chapter's 2021/2022 Citizen Centric Report (CCR), in addition to a presentation on how to construct one. You can view our Chapter's CCR as well as other CCRs published by other government organizations by clicking here: <https://www.agacgfm.org/Standards/CCR/Completed.aspx>.

Looking ahead, we have the 27th Annual Commonwealth PDT which is normally held in Williamsburg, but because of the pandemic was virtual the past couple years. We are excited to be back in person this year and is scheduled for December 8th and 9th. This will be our chapter's event for December and is a collaboration between the Richmond, Roanoke, Shenandoah, and VA Peninsula Chapters. If you have not yet registered, be sure to do so. Registration ends December 5th.

Till next time, remember that our limitations are only real when in our minds we determine them to be so. Be determined to live a life without limits and you will.

Chapter Opportunities & Updates
