PRESIDENT'S MESSAGE

Dear AGA – Central Ohio Chapter members,

As the year has come to an end, I would like to thank the chapter for the opportunity to serve as your chapter president for program year 2024-2025. For another year in a row our chapter received the Platinum Chapter Award from National AGA, the highest chapter honor. This achievement would not have been possible without all the volunteers on the education and executive committees who dedicated their time and effort to our chapter. I would like to personally thank all the committee members who helped make this another successful year. We truly have a great chapter here in Central Ohio and it is a testament to the wonderful volunteers and members we have.

This past quarter we held 3 monthly sessions with over 200 attendees combined. We also held a family zoo outing at the Columbus Zoo in June. This was a great outing full of networking and fun with over 80 members and their family from all over Ohio.

As we head into summer, our Education Committee is busy finalizing the plans for the 41st annual PDT Conference. This event will be held in person at the Quest Conference Center in Westerville, OH on October 21st and 22nd, 2025. You can register and view the brochure for the conference here: <https://www.cognificent.org/coaga-pdt-2025/>. There will be a happy hour networking event held at Giordano's following the 1st day of the conference.

Finally, I would like to welcome our new Chapter President, Kelly M Berger-Davis, who was a past Chapter President and longtime secretary and member of the Executive Committee. I'm looking forward to seeing where she leads our great chapter this next program year.

As always, we want to encourage members to volunteer to be on the Executive Committee and Education Committee. These positions provide members with valuable leadership skills and networking opportunities. If you are interested, please reach out to chapter leadership at executive.coaga@gmail.com.

UPCOMING WEBINAR

Efficient Ways to Enhance Payroll and AP Controls– August 19, 2025

Registration: [Registration Link](#)

This presentation will explore practical strategies for strengthening internal controls in payroll and accounts payable processes, tailored for government sector accountants and auditors. Tom Mitchell of Bonefish Systems LLC will share insights on leveraging technology to detect and prevent fraud, streamline operations, and ensure compliance. Real-world examples from school districts and municipalities will illustrate effective oversight, risk mitigating streamlined compliance and payment solutions for organizations of all sizes, emphasizing proactive risk management and operational efficiency and effectiveness.

Presenter(s):

Tom Mitchell is founder and president of Bonefish Systems. Mr. Mitchell has spent 26 years in the financial services sector holding numerous technology and business roles in large banks and insurance companies. In 2007, Tom started Bonefish Systems. After working for large corporations for close to two decades, Tom wanted to bring fraud prevention and detection technologies to smaller organizations that could not otherwise afford them. Bonefish Systems now serves hundreds of school districts and municipalities across Ohio.

Tom is a member of the Association of Certified Fraud Examiners. He earned his undergraduate degree at Kent State University in Computer Science and holds a Masters of Business Administration graduate degree from Case Western Reserve University, Weatherhead School of Management.

2025 COAGA SCHOLARSHIPS
