Community Service Message

Albuquerque Chapter Members - my name is Jeff Roybal, and I am a Manager at Moss Adams working in Assurance. This program year, I've had the opportunity to serve as the Community Service Co-Chair for the AGA Albuquerque Chapter.

I was interested in joining the CEC in an effort to make a social impact by organizing events and creating opportunities for others to give back to the community. As the holiday season approaches, the Albuquerque CEC is excited to announce our partnership with PB&J Family Services. The AGA Toy Drive is an opportunity for people to be charitable during the Holiday Season and assist PB&J Family services and their mission to help at risk children. We invite you to participate in this event by donating new, unwrapped toys for children of all ages. We are accepting donations through December 18.

Your generous donation can make a significant impact for these families and the ABQ Chapter appreciates your support!

PB&J Family Holiday Program

PB&J Family Services has been a local nonprofit since 1972. The agency began as a preschool and slowly but surely grew to provide wrap-around services to over 1500 families and children every year.

In the Year 2002, PB&J Officially began the Holiday wish program for the current families enrolled in PB&J Services. The staff at PB&J recognized the families' need during the holiday season and believed every child and family deserves to feel the joy of the holidays.
