President's Message

•••

"I would like to thank all of our hard working AGA members on a job well done in 2018. In 2018 the Chapter added new members, gained valued professional connections, served the community, and completed our goals. I fully believe 2019 will be another year of growth and prosperous times as the Chapter continues to achieve our goals. The furlough of 2018-2019 was an extremely pressing matter for many government employees and members. The strength of Chapter members and the whole AGA community was a true beacon of hope and assistance. The Chapter is striving to achieve our goal of putting on our Annual PDT on April 18, 2019. More details to come this month."

- Tony Malle, Chapter President
