**NOTE FROM THE CHAPTER PRESIDENT**

Welcome to the Idaho Centennial Chapter Association of Government Accountants. Today, AGA's programs and services align with the ideals of uniting the profession and serving the public. That spirit is reflected in AGA's commitment to education and training, professional development, networking, publications and, probably most significantly, certification that recognizes the unique skills of government financial managers (CGFM). In addition to these national endeavors, more than 100+ chapters across the country provide professional support, education and training to its membership while serving their communities through volunteer activities.

Our Chapter has over 230+ members from Federal, State, and Local governments and private companies. We are dedicated in providing educational opportunities but we also want you to become more involved. Volunteer today to serve on a committee because the more you are involved, the more you will get out of your membership. **We presently have two (2) open board positions: Community Service Chair and Awards Chair. Please contact Matt at [matt.orem@dfm.idaho.gov](mailto:matt.orem@dfm.idaho.gov) or at 208-854-3063 if you are interested in serving on our board.**

Finally, I want to personally thank Lealan Miller from Eide Bailly for volunteering his time to help as our new PDT Co-chair position! Lealan thank you for stepping up and volunteering some of your precious time to this chapter.

We are all AGA.

I hope to see you at our monthly luncheons and please be safe over the upcoming holiday season.

Best regards,

Matt Orem
