President's Letter

Welcome to Tennessee and it's crazy weather patterns. I hope everyone had enough bread and milk for our Snowmageddon last week. My family spent most of the week sledding, building a snowman, and having snowball fights while working at home as my daughter attended virtual school. This week it is approaching 70 degrees and I need my flip flops! By this weekend, we will see anywhere from 4-6 inches of rain here in Nashville. This crazy weather pattern shows that spring is just around the corner which means it is almost time for CGFM Month!

March is the month we celebrate our CGFM's and encourage future CGFM's to pursue the designation! We are hosting a CGFM review course in March and also have several special giveaways planned for the month along with a special gift that will be sent to all CGFM's. Be on the lookout for emails celebrating All Things CGFM this next month!

President's Letter (Continued)

We are excited to have Elena Tercero from the New Mexico Chapter speaking to us on the topic of "Leadership". Elena has served the New Mexico chapter at various levels throughout her career and has served numerous national positions and is currently serving as the Professional Certification Board Chair. If you have ever participated in AGA's PDT, you might have gotten up early and joined Elena during the morning PiYo workout sessions! A special thank you to AGA's National Office for coordinating Elena as our March speaker to help celebrate CGFM Month.

Congratulations to Nashville Chapter member Deborah Loveless on being the recipient of the 2021 Excellence in Government Leadership Award given out at AGA's NLT on February 24, 2021. Congratulations Deborah!

Our February's Community Service event is Second Harvest Food Bank of Middle Tennessee. This ministry provides a central distribution center for companies, groups, and individuals who wished to help provide food for hungry people in Middle Tennessee. Make sure you check out the Community Service page on our website for information on how to donate and help us meet our "Power of 7 Call to Action" from National President Wendy Morton-Huddleston to donate time and money to 7 non-profits.

I look forward to seeing everyone virtually on March 1st for our next chapter meeting!

Cybersecurity/ERM - Webinar

March 24 | 1:00–2:50 PM CST | 2 CPEs | FOS: IT

The current environment has resulted in significant changes in the way business is conducted, education is provided, and how we live our lives — all facilitated by the increased use of technology. While the evolution and sophistication of technology has benefitted society, it has also increased risks and vulnerabilities that are being exploited by cybercriminals. Telework and virtual learning have further widened the cyberattack footprint and augmented concerns for risk management and privacy.

Learning Objectives:

During this webinar, you will:

- Learn the basics of ERM as a best practice in organizational preparedness for CRM.
- Gain understanding of CRM and ERM as critical components in managing and responding to evolving threat environments, including the current cyber landscape.
- Explore tactical steps to consider in mitigating cyber risks through a comprehensive integration of CRM into ERM.
- Examine best practices described in recent publications, including the NISTIR 8286, Integrating Cybersecurity and Enterprise Risk Management (ERM), applicable to both government and the private sector.
