Chapter Board Positions

Some of you have expressed an interest in becoming more involved with the chapter, and I would love to extend an invitation to you. I have put below all the current positions available for the 2019 AGA year, if you are interested or want to ask questions please don't hesitate to contact me. This year is a year of change as AGA changes its board structure so do we, and you may find any opportunity that was available in the past, while other positions have been consolidated or removed.

One of our chapters driving forces and those that help keep our chapter together are members of the Chapter Executive Committee (CEC). As a member of the CEC leadership you will help shape the direction of our chapter and mentor those that wish to someday take your place. Some travel might be required (usually less than 3 times a year); AGA National or our chapter will cover most of the cost. So who sits on the CEC?

Mainly Chapter Officers to include:

- President (*Presiding Officer*)
- President Elect
- Secretary/Treasurer
- Membership Officer
- Immediate Past President (*Advisory Role Only-Possible Tie Breaker*)

The CEC is responsible for all business of the chapter and may present recommendations to the chapter for action, such as changes to the bylaws, they also have primary authority over any chapter committee.

Chapter President- CEC Member

The chapter President leads and directs the chapter through its various programs and events. The success of chapter operations during the year depends on the drive of this individual.
Time involvement is around 10-20 hours a month.

Chapter President-Elect- CEC Member

The chapter president-elect assists the president to prepare for their year as chapter president.
Time involvement is around 5-10 hours a month.

Chapter Secretary-CEC Member

The chapter secretary is a supporting role in the chapter, providing continuity between years and record keeping
Time involvement various month to month depending on chapter activities but usually averages around 2-5 hours a month.

(continued on the next page)

Chapter Board Positions

(continued)

Membership Director-CEC Member

The membership director is responsible for attracting new members to the chapter and retaining current members. This person is a key contributor to a successful chapter.

Time involvement is around 5 hours a month.

The chapter would not survive without the dedication and volunteerism of the following positions. While some might seem monumental in their task, just remember you do not have to do this alone. Your CEC is there to help and will assist with your duties. Another suggestion might be to consider making it into a committee or have dual directors to help lighten the load. All positions below have a say in the direction of the chapter and will have a vote when matters of their specific area come up for discussion, with the final say being that of the CEC.

Education/Meetings (*Can be a committee or be a co-chair position with more than one person performing the duties*)

This position or committee has a dual role and is responsible for ensuring good attendance at meetings, whether through phone reminders, surveys to non-attendees or ensuring a good location and time for members. This position will also recommend or coordinate all CPE events.

Time involvement is around 2-5 hours a month.

Awards (*Can be a committee or be a co-chair position with more than one person performing the duties*)

The awards director/committee serves a critical role in the success of the chapter's award program, as well as AGA's National Awards Program. If you love to plan parties and/or events this position is for you. As mentioned above this does not have to be done by one person, get creative maybe chair one event, while someone chairs another, you can rotate this position

Time involvement is dependent on the event and time of year.

CGFM Director

CGFM chairs play an important role in promoting the CGFM program. They work closely with other program directors and committees to identify potential CGFM candidates.

Time involvement is around 2-5 hours a month.

Community Service (*Can be a committee or be a co-chair position with more than one person performing the duties*)

The community service director(s) or committee develops, promotes and finds volunteers for community service projects, which allow members to contribute skills, labor or funds to community-based activities.

Time involvement is what you make it but usually around 2hrs a month

Social Media (*Can be a committee or be a co-chair position with more than one person performing the duties*)

This new position will be a key to our chapter's electronic presence as well as providing communication to our members and potential members, and is a combination of a few older positions. This can be a collaborative committee as the goal here is to have one area for all communications. You will become the eyes, and ears of the chapter, making suggestions for direction and possible events.

Social Media duties will include:

Time involvement is around 5-10 hours a month.

A full breakdown of what each position's duties are will be located on our webpage
