President's Message

Hello Fellow Accountability Professionals,

Our last Professional Development Meeting (PDM) of the fiscal year will take place on May 20 at The Hotel San Bernardino, 285 East Hospitality Lane in San Bernardino. As we approach the last meeting of the year, I will like to thank you for your support and dedication. To the Chapter Executive Committee, I say thank you for your commitment. To reach our goal of giving back to the community, let's continue to support our scholarship fundraisers in full force. The scholarship award winners will be announced at our PDM on May 20th. Also, we have raffle prizes for someone to win an Apple iPad or gift certificates for various exciting places. I greatly encourage your participation. Please help us to give back to the community.

Thanks for your participation in last month's PDM. We obtained a great deal of insights on Pitfalls of IT Purchases presented by Lea Deesing. Thanks to Lea for the valuable information she provided.

Our PDM on May 20th will feature Don Kent, Riverside County Treasurer-Tax Collector. Don will talk about Investments as they pertain to County government. Please mark your calendar and plan to attend.

Next fiscal year, Sakura (Shay) Younger will preside over the Chapter Executive Committee (CEC). Shay has been doing great work behind the scenes, so let's give Shay our full support as she becomes our next chapter president. Thank you for your support and helping to make this "AGA year" a great success.

About Our Speaker

Established in 1893, Riverside County encompasses 7,303 square miles with 28 cities and a population of over 2.3 million; it ranks as the 10th largest in the United States. The Treasurer-Tax Collector is responsible for the billing and collection of over \$3 billion in property taxes, \$12 billion in annual receipts and disbursements, and, oversees the \$6.5 billion Treasurer's Pooled Investment Fund (TPIF).

The combined office is led by Don Kent, a countywide, publicly elected official. As a graduate of CSUSB with prior experience in the financial services industry, he joined the office in May 1997 as Assistant Investment Officer and was promoted to various positions throughout the years with increasing responsibility including Chief Deputy Treasurer-Tax Collector, Assistant Treasurer, and, Assistant Treasurer-Tax Collector. For more than 11 years, Kent had been directly involved in the daily investment operations of the TPIF and had overseen the fund while it grew dramatically due to the County's rapid growth in the last decade. During his tenure on the investment desk in the Capital Markets division, the TPIF produced in excess of \$1.1 billion in interest earnings for its depositors during that time frame.

By a unanimous vote of the Board of Supervisors, he was appointed in October 2008 to fill the remainder of the term of the prior office holder. He was later elected to a four year term in June 2010 and 2014. He serves as the 10th Treasurer-Tax Collector in the history of the County..
