### President's Message

### Curtis P. Joachim, CPA, MBA, CGFM, CGM

Welcome to the 2022/2023 AGA Year. I am honored and excited to serve as Chapter President of our Southwest Virginia Chapter once again. 2021/2022 was another banner year for our chapter; our Chapter earned the Platinum level designation – the highest designation attainable as part of AGA's Achievements in Chapter Excellence (ACE) awards Program. The objective of the Chapter Recognition Program is to support, encourage and promote AGA's mission, and to provide flexible guidelines to help the development of a well-rounded chapter.

This year, I plan to continue to build on the successes that we've had with the focus of helping members sharpen their skills and advance their careers as we learn to operate in the post-COVID era. My goal as chapter president is to continue to assist you to take advantage of all that AGA has to offer to accomplish your professional goals. I aim to accomplish this by providing opportunities for gaining quality CPE's year-round, including personal development. We will seek to continue chapter growth with a focus on recruitment and retention, attracting and retaining emerging leaders and students to ensure the continued viability of our chapter, and to provide opportunities for our members to be of service to our communities.

I've thoroughly enjoyed working with the dedicated core of directors who chaired our Chapter's Executive Council (CEC) last year. This year, we've not only brought back most of those board members, but we've also added two new chairs, namely, Ms. Kimberly Howell, Secretary, and Mr. Korey Moore, Membership Chair. We also have a new President Elect, Ms. Misty Hamed who will be in the left seat with me this year as she prepares to take over as Chapter President next year! I look forward to working with Kimberly and Korey as well as the rest of our Board to execute the plans and accomplish the goals that we've established for the year.

As always, we can't do it without you! We need you to participate. We need you to show up. Show up for the monthly meetings, the webinars, the networking events, and PDTs. We need you to help us grow our chapter. Talk to your co-workers about AGA. Share our newsletter with them, tell them about our free webinars for CPEs, not only locally, but also the ones available from AGA National and other chapters.

We will be sending out a membership survey to get your input on what we can do to continue to make our chapter a success. Keep an eye out for the survey coming out in the next few weeks. Tell us what's important to you, what topics you would like us to cover as part of our training curriculum, when is the best time/day to hold meetings etc. We will use this to adjust our chapter plans if necessary. We've put together a dynamic program for the coming year, starting with our meeting this month where we will hear from Ms. Leanne VanDerveer, Principal Planner, Delaware Emergency Management Agency for a presentation on disaster preparedness in recognition of September as National Preparedness Month.

I'm looking forward to making it a great year with you!
