President's Message

The March workshop led by the State Board of Equalization and HdL Companies on Economic Impacts of Sales, Excise and Property Taxes, was insightful, particularly to entities whose revenue base is largely dependent on these taxes. The information gathered during the workshop is also very timely as we prepare for next year's budget and get closer to the end of the fiscal year.

Our board of officers has been active in various activities of our chapter. There are exciting upcoming events as we plan to reach out to a bigger audience. This includes GASB Updates, followed immediately by a Social Hour on April 27, and community service activity at the Second Harvest Food Bank on June 3. Don't miss these fun-filled events. Our chapter guarantees good professional development, good company, good food, good cause and simply good time!

The Social Event on April 27 is being put together especially for you. We would like to recognize our members and have an opportunity to meet non-members who could lend an ear and hopefully, find value in being part of our chapter. For those who would like to take a bigger step, we encourage you to be part of our board that advances government accountability. We would like you to personally meet our chapter officers and hear from them how their active involvement in this organization impacted their career and personal well-being. Hope to see you there!

CGFM NEWS

CGFM Month Proclamations

To recognize the CGFM Program and its accomplishments, AGA has declared the month of March of each year as "CGFM Month." Proclaiming March as CGFM Month does not only recognize the over 14,000 Certified Government Financial Managers and AGA members nationwide but inspire them to continue to demonstrate professionalism and competency to promote government accountability. AGA has long been advocate in promoting government accountability and AGA's CGFM Certification serves that purpose.

Thanks to the initiative and dedication of AGA regional and chapter leaders. 15 States and 45 Cities and Counties have declared March 2017 a CGFM Month. You can view the declaration at - <https://www.agacgfm.org/CGFM-Certification/CGFMs/CGFM-Month-2016/CGFM-Month-Proclamations.aspx>.

Why Hire a Certified Government Financial Manager?

CGFM exemplifies experience and proficiency, distinguishing individuals who have made a significant commitment to their professional development. A CGFM has:

- **Increased knowledge of government financial management:** CGFMs must pass rigorous examinations, covering key topics including federal, state and local accounting and reporting; financial management functions; performance measurement; internal controls and auditing.
- **Better understanding of the big picture of government:** CGFMs recognize how the different components of government financial management fit together, and they understand their role in the process.
- **Greater confidence on the job:** The CGFM certification is directly applicable to the everyday duties of government financial professionals, at every level. It can help a new employee hit the ground running, while enhancing the performance of existing employees.

CGFM Testimonies

Below are testimonies of the value of CGFM certification from those who hold it:

Increase and showcase your knowledge – *“CGFM is an opportunity to showcase your government financial management knowledge to your current and future employers.”* –John H. Lynskey, CGFM, CPA, AGA National President-Elect

Distinguish yourself - *“CGFM is a brand differentiator to identify a knowledgeable practitioner in governmental financial management. It demonstrates a cogent understanding of the government trifecta (federal, state and local) and is used as a competency yardstick, measuring understanding of public sector financial management.”* –Wendy Morton-Huddleston, Principal, Grant Thornton LLP

Enhance your marketability - *“The CGFM certification has given me the knowledge and confidence to be able to take on additional job duties and advance my career.”* –Riley Shaull, CGFM, CPA, Chief Financial Officer, Oklahoma Employment Security Commission
