

Carla Flores, CGFM
Tableau Desktop Certified Associate

Ms. Carla Flores is a Program Analyst with the Department of the Interior's Office of Financial Management. She provides visual insights into the Department's financial and performance results, and supports various Business Intelligence initiatives at the Department.

Prior to joining Interior, Ms. Flores served as a Senior Accountant at the Department of Homeland Security's Financial Management Division, where she led the publication of the Department's award-winning Agency Financial Reports, and made superior contributions leading to the Department's first and subsequent clean financial statements and internal control audit opinions.

Ms. Flores is an active member of the Association of Government Accountants, and currently serves as the Dallas Chapter Communications Director.

Ms. Flores holds a Bachelor's Degree in Business Administration with an accounting major from the University of Puerto Rico in Ponce. She is a Certified Government Financial Manager, and a Tableau Desktop Certified Associate.
