MEETING LOCATION:

Villa Rosa Restaurant, Silver Spring

GENERAL: This was a year of building under President Ralph Flaherty (who passed away during the Fall of 1977). Due to price increases, the meeting location was moved to the Villa Rosa Restaurant in Silver Spring, MD. It was during this year that the name of the Association was changed from FGAA to AGA (Association of Government Accountants). Three research projects were submitted to the National Office by the Research Committee. The "Communique" continued to be newsy and timely. The Education Committee made a number of visitations to local high schools and colleges. The Chapter participated in a seminar on "The Congressional Budget and Impoundment Act of 1974" with the National Office Education and Training Committee. The Chapter concluded a very good year by winning second place honors in the new Class A

of the National Chapter Competition Program. This year was significant in the fact that for the first time, one of our members (Chris Peratino) was elected to serve as National President during 1975-1976.
