Dear Association of Government Accountants,

Your recent gift of \$150.00 to Central is helping provide life-changing opportunities for students.

Your gift helps us maintain the momentum, standards of excellence and vitality that keep CWU a place for our students to grow and learn. Each gift is very special to us and we are grateful and honored by your generous support.

As you may already know, we had record-breaking enrollment this past fall. The growth of the university continues to present us with exciting challenges. As a public institution, Central must partner with individuals, corporations and organizations to make available programs that reach beyond the scope afforded through state funding. We are always pleased to join forces with donors who share in our vision of preparing students for enlightened, responsible, and productive lives. Your support is a vital step in helping us realize this goal.

Please keep this letter for your records, as it serves as your official receipt and confirms that you received no goods or services in return for your gift. Central Washington University Foundation's tax id number is 23-7017467.

Thank you again for your support of Central Washington University.

With appreciation,

Scott Wade
Vice President for University Advancement
Executive Director of the CWU Foundation
