

To the Board of AGA Phoenix Chapter

On the November 2019 financial report, a parking fee charge of \$2.25 from Nov 14, 2019 was not supported by a backup. There is not another charge during this month or in the following months that was unsupported. In January 2020, I deposited \$2.25 cash to the Chapter's account.

Respectfully,

Gergana Kovatcheva, Treasurer
