

THE ASSOCIATION OF GOVERNMENT ACCOUNTANTS

September 21, 2021

Topic

Join us and author Ken Smith for a presentation and discussion featuring a new AGA Journal article addressing the need for local governments to report Accurate, Concise and Timely to the public with Citizen Centric Reports, and how to influence adoption by your local government or agency. "Now is the Time to A-C-T," *additional authors & contributors include D. Sandoval, A. Ebberts and M. Langas Miller*, published in the Summer 2021 Vol 70, No 2 edition of the *Journal of Government Financial Management*.

Speaker

Ken Smith, PhD in Government Accounting, earned "Best Paper" award in the year he completed his dissertation, which was titled, "Governmental Accountability Performance Reporting." A current AGA National Chair to the Accountability Committee, Ken is also the distinguished recipient of a "Lifetime Achievement" award from AGA for scholarship and he is lead author of a 2012 GASB study related to the Scope of GASB. Ken is Founder and President of a Public Benefit Company, The Accountability Group-LLC (TAG-LLC). Dr. Smith has published work at The Social Science Research Network
