

TAX PRACTICE TECHNICAL LEADER

Are you looking to take your career to the next level? The Mercadien Group is hiring for a Tax Director to be a Technical Leader in our Tax Practice.

We're a leading and growing regional accounting and advisory firm with partners and staff that believe our best work starts with our people. That's why, when you come onboard, you become a part of our community and extended family. We're entrepreneurs at heart; passionate about creating opportunities, achieving work/life integration and helping our employees reach their potential – all while having fun.

REQUIREMENTS

- Deploys new professional standards & guidance (newsletters, best practices, tools) to the firm; coordinates and facilitates training on these topics as needed
- Develops, implements, and evaluates compliance with standards and “best-practices” on specific engagements and firm overall
- Evaluate and determine tax research resource needs such as software and research materials
- Consults with staff on technical matters as subject matter expert and involves Practice Leader as needed
- Provides updates to templates, reports, letters and industry specific financial reporting sample companies
- Assists in the design, instruction, and evaluation of in-house CPE and training
- Partners with firm operations group on Tax CPE requirements
- Works with Project Manager to resolve issues involving projects
- Assists teams in emergency situations as needed (i.e. manager level review of files, participating as a subject matter expert, etc.)

QUALIFICATIONS

- Bachelor's degree in accounting
- Master of Science in Taxation is required, Master of Laws in Taxation strongly suggested
- Must hold CPA license
- Must possess above average computer skills, knowledge of Microsoft Office programs
- Ability to perform several tasks concurrently with ease and professionalism
- Must be able to communicate clearly both verbally and in written format. A strong command of the English language and grammar is necessary

HOW TO APPLY

If you are seeking professional growth and fulfillment with a firm who values and invests in its associates submit your resume and cover letter on our career portal at <https://mgr-jobs.ehcm.io/> or to careers@mercadien.com.

This is an opportunity to gain valuable insight and experience with a leader in the accounting profession, dedicated to success.

THE MERCADIEN GROUP

A family of companies created to serve the diverse and sophisticated needs of clients in a capacity greater than any single organization can offer. Comprised of several distinct entities, the firm provides accounting, consulting, technology, and wealth management services. A team of trusted advisors working together, The Mercadien Group shares a broad knowledge base and creates seamless solutions that meet clients' personal and business objectives.

Mercadien is dedicated to its associates and their professional development. We offer programs to help each individual reach their goals, such as educational and certification reimbursement, mentoring programs and an open door policy which affords access to our elite partner group and their knowledge and experiences.

Our salaries and bonus programs are highly competitive, along with benefits that include medical and dental, life insurance, long term disability insurance, 401K, cafeteria plan and excellent vacation and holiday paid time off benefits.
