Report to Our Members Citizen Centric Report (CCR) 2019

The Albuquerque Chapter ended another successful program year in May of 2019. The Albuquerque Chapter achieved a national Platinum Award, the highest level for areas including leadership, education, certification, community service, communications, membership and awards. Thanks to all Albuquerque CEC and Chapter members for helping to obtain Platinum status! During the program year we produced a 2018 Citizen Centric Report (CCR), offered 38 hours of continuing professional education (CPE) through our luncheons, webinars and annual Professional Development Training (PDT). We also held several fund-raising events for local charities and schools. The Albuquerque Chapter was awarded the AGA National's 2019 Chapter CGFM and Community Service Awards. Thank you to our members for participating in our events, which was key to making this year a great one!

What does next year look like?

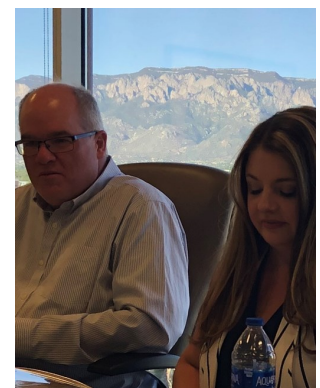

Key Issues in 2019 /2020
