

Report to Our Members 2020—2021

Citizen Centric Report (CCR)

I would like to extend a warm welcome to all new members and a big thank you to our returning members for their dedicated support and advocacy over the years. This year has been unlike anything we have ever experienced, the COVID-19 pandemic has impacted us all and I hope this report finds you and your loved ones doing well and staying safe. I would like to thank you for the honor of allowing me to serve you and advance the AGA Albuquerque Chapter. We were able to provide an elevated level of education, community service, community engagement, networking and commitment to engage all members especially during these unprecedented times. We hosted a joint virtual Professional Development Training (PDT) with the New Mexico chapter that offered 16 hours of CPE and more than 200 attended both days. We kept our membership engaged with AGA through a CGFM review, other educational opportunities and community service events. Our newsletters, website and social media presence were key to staying in touch with our members. Cheers to another successful year!

Elizabeth Nunez, CPA
Albuquerque Chapter President

- Looking to Next Year** **4**

The Albuquerque Chapter serves professionals in the government financial management community by providing quality education, fostering professional development and certification, and supporting standards and research to advance government accountability.

Key Areas: CGFM, Accountability and Community Service

Certified Government Financial Manager (CGFM) Award

The Albuquerque chapter accepted the challenge to develop a strong CGFM program. Through steady efforts, the chapter expanded the program and is now viewed as a marketable status trademark for the chapter and a professional standard. The City of Albuquerque on March 15, 2021 received a proclamation naming the day “Certified Government Financial Manager’s Day”

Accountability and Transparency Award

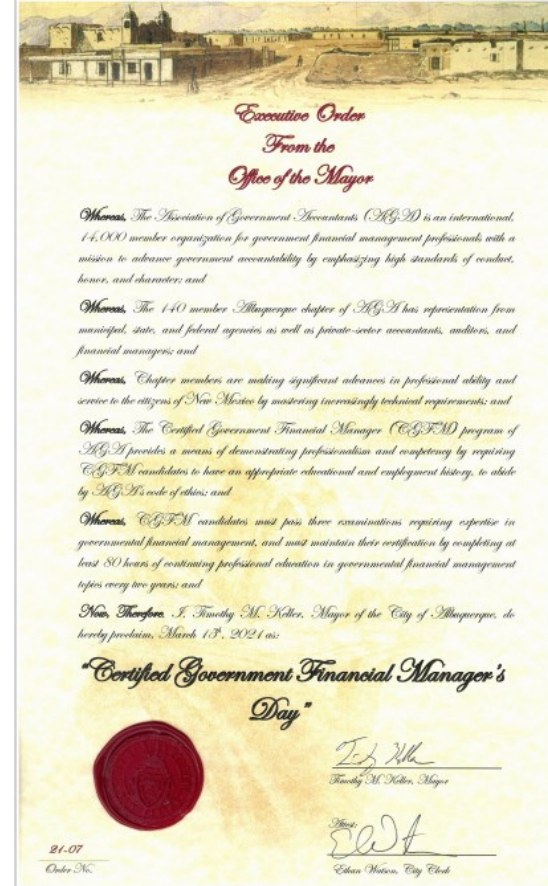

Through it’s CCR, the Albuquerque chapter recognizes the value of accountability and transparency in government and the vital importance of specific financial and performance data to taxpayers. By it’s example, the chapter demonstrates that the CCR is an essential tool that can be used by all, regardless of the profession or business sector.

Communication Award

Our newsletters, website and social media presence were key to staying in touch with our members. The chapter received the Communication Award for the program year.

Platinum Chapter Award

The Albuquerque chapter encouraged and supported the AGA mission and is a well-rounded chapter, as is seen through the four awards received this program year.

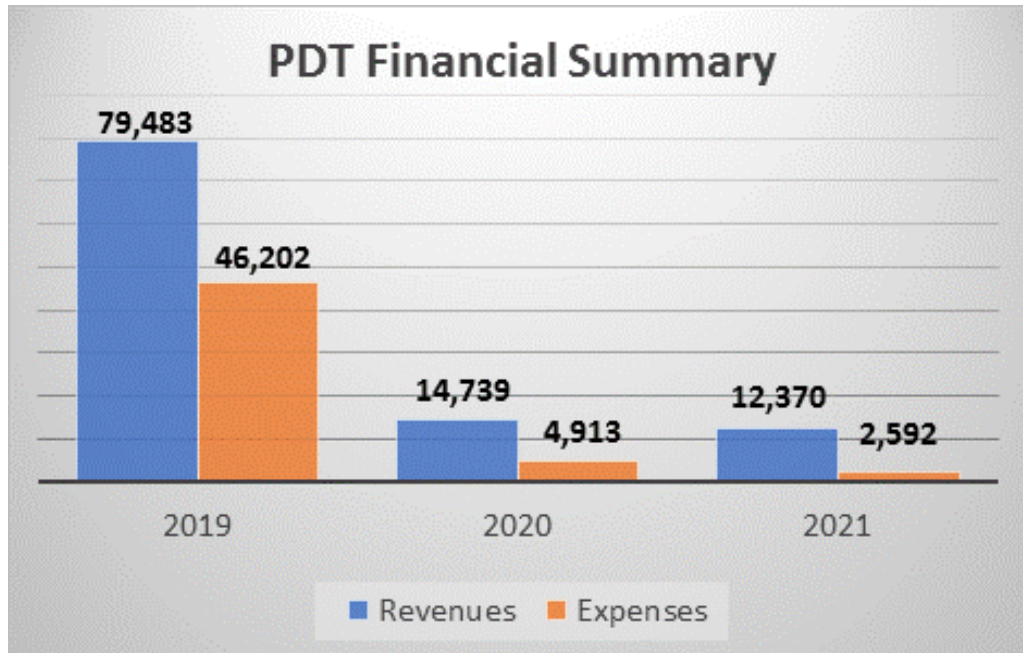

Community Service

The chapter had two community service events during the program year. Both events were virtual, and members could contribute to our school supply drive and holiday dinner [AGA Albuquerque Chapter \(agacgfm.org\)](http://agacgfm.org)

Chapter Finances

The biggest source of revenues and expense for our chapter is the joint Professional Development Training (PDT) with the New Mexico Chapter. The chapters worked many hours to plan the first virtual PDT held in April 2021. More than 200 attended both days to receive 16 hours of CPE.

The Albuquerque chapter education calendar offered 10 hours of virtual CPE that was free for members and a small charge of \$10 for non-members.

2020—2021 Education Calendar

Looking to Next Year!

Our chapter ended the program year on a happy note, with four national awards. The beginning of the program year brings new challenges of meeting our goals while keeping our members safe. We now have a virtual venue to offer our training and we brainstormed of ways to keep our attendees engaged. Our goals for the program year 2021-2022 are as follows:

Goal 1: To maintain membership and we hope to meet the national goal of every member get a member.

Goal 2: Collaborate with NM Chapter to offer an engaging 2022 PDT for our members. We are prepared to have a virtual PDT, and will adjust if a hybrid event is possible.

Goal 3: Provide a total of 25 hours of CPE with a full calendar that includes eight training sessions, and a joint PDT with the New Mexico Chapter offering 16 CPE. The CEC will team-up to ensure the local sessions are effective and stimulating CPE facilitated by our local professionals.

Goal 4: Encourage member participation (*virtually*) in networking socials and community service activities.

Goal 5: Celebrate 4 members on the successful completion of CGFM Certification.

We meet the first Tuesday of every month at 5:30pm.
