Citizen Centric Annual
Report
Fiscal Year Ended
6/30/2022**

Message From The President

Dear AGA Central Indiana Chapter Member:

To all new members of the Central Indiana Chapter of AGA, I would like to extend a warm welcome! To all returning and long-time members, thank you for your continued support and advocacy of our Chapter!

While elements of aftershock remained from the COVID pandemic, our Chapter began to safely take steps toward returning to a sense of normalcy for our membership during the 2022 program year. As COVID outcomes and patient recovery times improved, member sentiment surrounding in-person events started to shift and we introduced hybrid meeting options for our monthly lunch and learn sessions. Within months it became abundantly clear that members missed connecting in person, and by the end of the year we were back to holding all meetings in person.

The Chapter had another successful year of dynamic speakers presenting on a variety of topics, such as: mental health, audit preparedness, and public access laws to name a few. Additionally, our membership increased by 5 new members from 75 to 80 over the course of the year.

I would like to thank all the Chapter Board Members for their dedication, commitment, and hard work during the program year. We encourage all members to remain active and ask that you please consider engaging with the Chapter by being a CPE instructor, serving on a committee, being a board member, or being an officer. These opportunities are open to all our members and provide access to additional CPE. Cheers to another successful year!

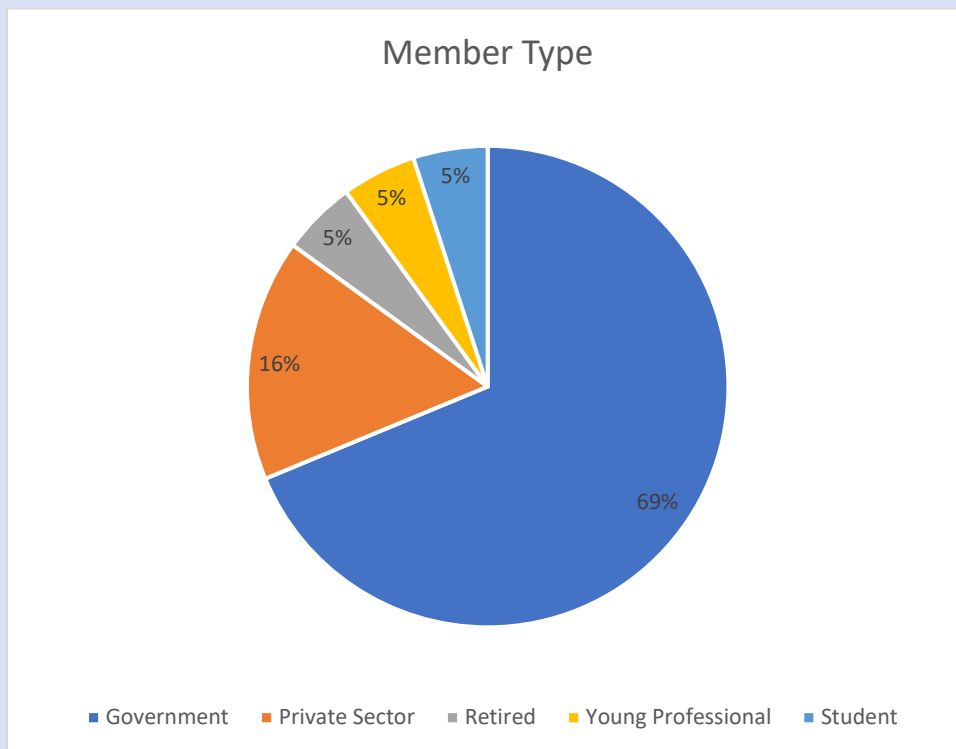

Sincerely,

Kenneth Mayfield

AGA Central Indiana Chapter President
