A 2020 Report to Our Membership

Our Chapter

The Charleston Chapter is located in West Virginia's Capital City of Charleston. Charleston's Association of Government Accountants chapter serves federal, state and local employees working in areas of accounting, auditing, budgets, finance, economics, internal control, and public administration in Charleston and the surrounding area. We also encourage membership from private sector employees working in government environments or who have government clients. Students interested in pursuing a career in government financial management are encouraged to attend chapter events and consider a student membership.

The Charleston Chapter is governed by a 14 member Chapter Executive Committee. The Executive Committee meets once a month throughout the year. Specific information about the Chapter can be found at www.agacgfm.org/charlestonwv.

Our Purpose

AGA and our Chapter are dedicated to the professional development and advancement of the government financial management profession. The Charleston Chapter provides educational opportunities to promote the professional development of its members, and support the use of government financial management practices, policies, and promoting the financial management profession.

We're here to help!

The Charleston AGA Chapter sponsored a presentation on WV State Employment at the University of Charleston in February 2020. The Department of Agriculture, State Auditor's Office, and the State Treasurer's Office joined forces with the Department of Personnel to discuss career opportunities with the State of West Virginia. We know that one of the biggest challenges that you face is finding great people.

We are going to increase the information that is available to college students and recent graduates making them aware of how to get on the register, the great job opportunities that exist in the government accounting field, and the benefits of AGA. If you know of a group that would like to have more information please contact Taylor.S.Cole@wv.gov.
