Attendee Check-In/Communications Check   11:50am – 12:00pm				
1.	John Rich, CPA, CGFM	<b>Opening Remarks</b>	12:00pm – 12:05pm	
2.	Eric S. Berman, MSA, CPA, CGMA Eide Bailly, LLP	<b>Should I Put on Pants Today for This Webinar?</b> We're over a year into the pandemic. Many of us spent almost the entire year (or more) working from home. Not only are we working from home, but we may also be caregivers to those older and younger than us. Somehow, we've made it work. Hear from someone who has done it since 2010. What are the pitfalls, tricks and techniques used on a daily basis to not go stir crazy? How best can we balance our work with our life when the two collide?	12:05pm – 12:55pm	1 hour
3.	Anthony Cavallo General Services Administration	<b>GSA's Adventures in RPA.</b> This presentation will share GSA's journey with RPA from concept, implementation, and future technology plans. We'll then explore some of the more compelling use cases we have delivered with RPA. Finally, we will conduct a demonstration on how easy it is to build a bot.	1:00pm – 1:50pm	1 hour
Break   1:50pm – 2:05pm				
4.	Alyssa Fusisi, CPA CRMP-Fed, CISA, CGFM Kearney & Company	<b>Emerging Technologies Related to Risk, Controls, and Compliance.</b> During this session, Ms. Fusisi will share emerging technologies that organizations have found improved their risk assessment processes, as well as overall monitoring of internal controls over reporting and compliance. The availability of technology solutions can provide organizations opportunities to better focus assurance activities on the areas of greatest risk and provide integrated and coordinated reporting.	2:10pm – 3:00pm	1 hour
5.	Mike Wetklow, CPA, CGFM Jesse Simons, CGFM, PMP National Science Foundation	<b>The CFO of the Future Now.</b> In November 2020, the CFO Community celebrated the 30th Anniversary of the CFO Act demonstrating unparalleled accomplishments in FY 2020 audits despite the COVID-19 pandemic environment. Many ask, what could be next for financial management? This session explores a potential path for the future and where we can unlock financial management value to provide mission support through data, information, and knowledge to support decision making.	3:05pm – 3:55pm	1 hour
6.	Chelley Hilmes, CPA, CGFM Riley Shaull, CPA, CGFM	<b>Closing Remarks</b>	3:55pm – 4:00pm
