

ACCOUNTANT V (SR-24)

Create your future while supporting our community...
We deliver earth's most precious resource across the island...

The Board of Water Supply is recruiting for an Accountant V to lead our revenue and customer accounting section. Whether this is the next step on your professional ladder, or you are interested in a government accounting career, our finance division offers a supportive environment to utilize your planning, developing, directing skills and to cultivate your team.

What are we looking for?

Professional Accounting experience in maintenance, revision and/or development of accounting systems; analyzing fiscal data; providing interpretive and advisory services to management.

Knowledge of principles and practices of commercial and governmental accounting; preparation and analysis of financial statements and reports; public fiscal administration including budgeting.

Desire to lead a team and an understanding of effective communication and improving team performance.

SALARY: Salary dependent on experience.

We invite you to be part of the world-wide One Water movement and save the world from climate change.
