

Idaho Centennial Chapter Citizen-Centric Report 2018-2019

Shoshone Falls
Twin Falls, Idaho

Message from the President

It's an honor to serve as your 2019–2020 Idaho Centennial Chapter President. I express appreciation for the outstanding work that Michael Pearson accomplished this past year for our chapter and congratulate him on a successful 2018–2019 term. Under his and the board's leadership, our chapter achieved the Platinum level designation which is the highest ranking that a chapter can obtain. The Platinum level is awarded and recognized by AGA National to those chapters who have met excellence in chapter leadership, education, certification, and communication.

Thanks to our great members, our chapter is stronger than ever and fully ready to enter into our chapter's 30th year! As we move forward into this historic phase, I extend an invitation to you, our members, to become more involved in AGA by serving on the board, participating in our chapter-sponsored community projects and activities, or assisting and working with our chapter's board members. I also encourage you to provide feedback and ideas for AGA-related activities you would like to see that can strengthen our chapter.

Again, Thank You for all you do, and I look forward to collaborating with each of you in making this year a memorable one!

Chris Floyd
