CITIZEN-CENTRIC REPORT

Our Mission

AGA is a professional association advancing accountability, transparency and leadership by promoting education, certification, innovation and collaboration across all levels of government and to stakeholders.

President's Message

I am honored to be the President of the Idaho Centennial Chapter of AGA for the 2022-2023 program year. We are coming out of the pandemic and are trying to return to our in person meetings over the upcoming year. My goals this program year are to maintain our membership and get people to attend meeting in person so we can start networking and building working relationships for our members.

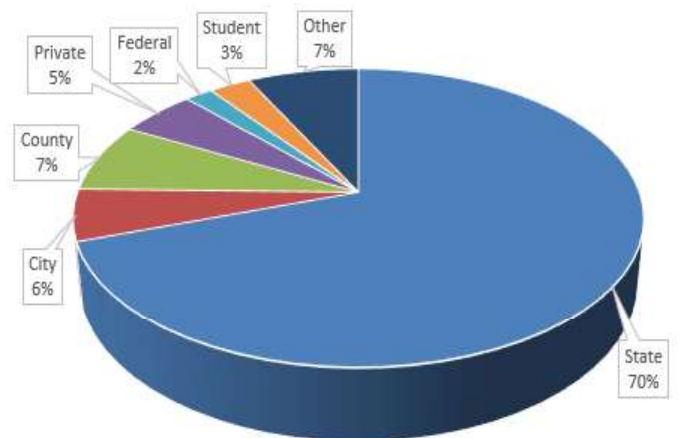

There are several benefits to becoming a member of AGA, but the biggest one I have gained from membership so far is meeting other State professionals whom I have only been email acquaintances with beforehand. I hope to allow other individuals early in their careers this same opportunity.

- Ethan Draves

Membership Demographics

AGA is a member organization for government financial professionals who increase government financial performance and accountability. The Idaho Centennial Chapter has 215 members comprised of state, local, and federal governments; private, academic, and non-profit entities; and retired professionals.

Our chapter serves members throughout the State of Idaho, from the far reaches of the northern panhandle to the southeastern corner of the state. Our goal is to ensure opportunities for accounting professionals in the government sector to continue to stay up to date on governmental accounting issues. The Idaho Centennial Chapter is within the Northwest Region of AGA. Our sister chapters are Central Washington, Missouri River (Montana), Northern Nevada, Northern Utah, Northwest Inland Empire, Olympia, and Seattle Chapters. Our mission is to advance government accountability by serving our members through quality, cost-efficient education and fostering professional partnerships.

Chapter Scholarship Programs

Idaho Centennial Chapter offers a scholarship program to help our members achieve the Certified Government Financial Manager (CGFM) designation. To receive the scholarship, members must pass three exams, without using a voucher, and follow the AGA Code of Ethics.
