

# *A Report to Our Members*

## About the Maine AGA Chapter

The Maine Chapter of the National Association of Government Accountants serves government accounting professionals by providing quality education and fostering professional development and certification. Monthly meetings provide a chance for State of Maine and local government accounting employees to meet and network, discussing pertinent accounting and management issues.

The State of Maine Chapter of AGA was established in 1997. The Maine Chapter has 133 members as of June 2013. Twenty three financial professionals in Maine hold the professional CGFM (Certified Government Financial Manager) certification. Our membership includes state, federal, quasi-governmental, municipal and private sector employees.

Monthly luncheon meetings are held September through May of each year. Each meeting features a keynote speaker discussing events or programs currently impacting government and the state as a whole. Throughout the year, Maine AGA members perform several community service events, providing support to local children, veterans and homeless citizens

## **Membership & Outreach Initiatives**

The chapter will apply for and use the Membership Recruitment Scholarship from AGA National to attract non members to our monthly meetings to encourage them to join.

## **CGFM**

We will again work with the Governor's office to obtain a CGFM month proclamation in March and will survey members to see if there is interest in a study group for the CGFM exams.

## **Education**

Work toward sustainable operational practices. Conferences to be offered will be selected based on topics with highest interest levels and months most prone to weather cancellations will be avoided, to optimize our profit/loss profile while still offering members this valued service.

## **Programs & Technical Meetings**

Ideas and preferences for meeting topics will continue to be solicited from chapter members and topics that have generated substantial interest in the past will be given preference.

In our selection of programs we will strive to cover topics that are timely and address the biggest challenges and highest interest for the membership.

## **Community Service**

Four campaigns are planned to support local agencies:

Aug—Sept School Supplies for Domestic Violence Shelter

Oct—Dec Socks, hats gloves for Bread of Life Homeless Shelter

Jan—Feb Non-perishable food items for food pantry

Mar—Apr Big Brothers/Big Sisters- Bowl for Kid's Sake

Information will be provided to members about the services of these agencies along with details on how to serve and/or donate.
