

## About the AGA and the Montgomery /Prince George's County Chapter

AGA is the association that connects and empowers professionals who support government, from financial management to IT, human resources, cybersecurity and more, to advance good government initiatives, grow their expertise and accelerate their careers.

The Montgomery/Prince George's County Chapter (MPGC) of AGA is a diverse group of financial managers, accountants, and auditors. Chartered by AGA in 1968, our Strategic Themes are: Accountability, Certification, Education and Service. The Chapter's focus is on advancing government accountability, encouraging certification and offering educational events, networking opportunities, and community service activities. We are proud to report the chapter received the Platinum level of recognition from the AGA National organization for the 2021 - 2022 program year!

### Mission

*Our mission as a chapter aligns with the overall mission of AGA. We want to see our professionals:*

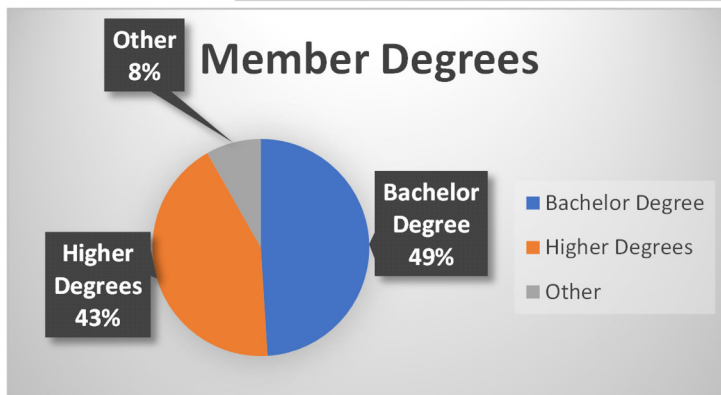

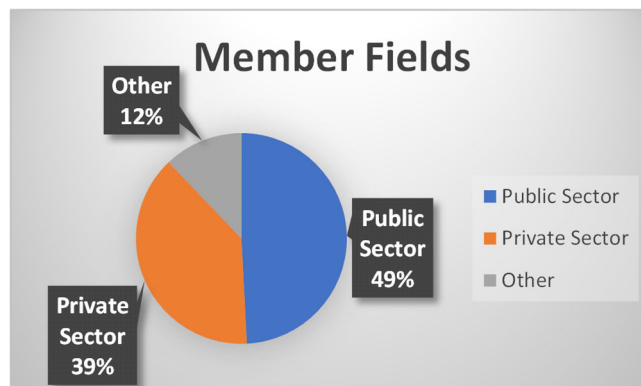

- **Advance** – continue to advance accountability, financial practices, transparency, and excellence in government
- **Grow** – achieve growth through learning, excelling, and engaging our network of professionals
- **Accelerate** – accelerate professional careers through learning opportunities and the opportunity to earn the CGFM

### Vision

*AGA supports the careers and professional development of government professionals working in federal, state, and local governments as well as private sector and academia. Founded in 1950, the AGA has a long history of being the thought leader for the government accountability profession.*

# Our Achievements

## Leadership

**Thank you to our 2021-2022 President!!!**

*Nicholas Garrard, TFC Consulting, Inc. - MPGC would like to extend its thanks to our former president for guiding us through the past year. Dealing with the continued threat of Covid-19 meant we needed to be flexible and often have a contingency plan. Nicholas encouraged and guided us to excel throughout this past year. Our community service initiative raised funds for food aid in the area; membership and sponsorship teams kept our community connected and growing; certification directors made virtual materials available to candidates and held e-study sessions. Your dedication and commitment this year has led to the continued growth and prosperity of our chapter!*

## Social Media

In FY 2021 - FY 2022, MPGC continued to expand their Facebook page to keep its members and community updated on upcoming meetings, trainings and social events; such as NLT 2022, volunteer events at the Capital Area Food Bank, and webinars. MPGC also continues to utilize LinkedIn and Instagram to further expand our reach. We plan to expand our reach this upcoming year by paying for ads.

## MPGC AGA 2022 CCR Scholarship Winners!

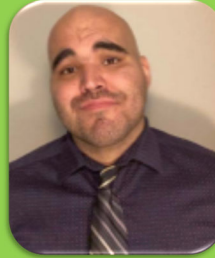

For the fifth consecutive year, the winning team for our CCR Scholarship has come from Morgan State University! The team this year prepared a CCR on Baltimore County. Congratulations to the winning team members, Alina Redmond, Oluwatofunmi Akinniranye, Morgan Savage, and Victor Olanrewaju! Also, we would like to send a special thanks to Dina El Mahdy who served as the team's Faculty Advisor!

## MPGC 2022 Award Winners

## Education and Training

The Chapter had another successful year of dynamic speakers presenting on a variety of topics. Speakers ranged from federal officials such as Scott Bell, Dept of the Treasury and Robin Gilliam with FASAB to Private Sector leaders such as Fola Ojumu, Partner at Kearney and Corinne Dougherty, Partner at KPMG.

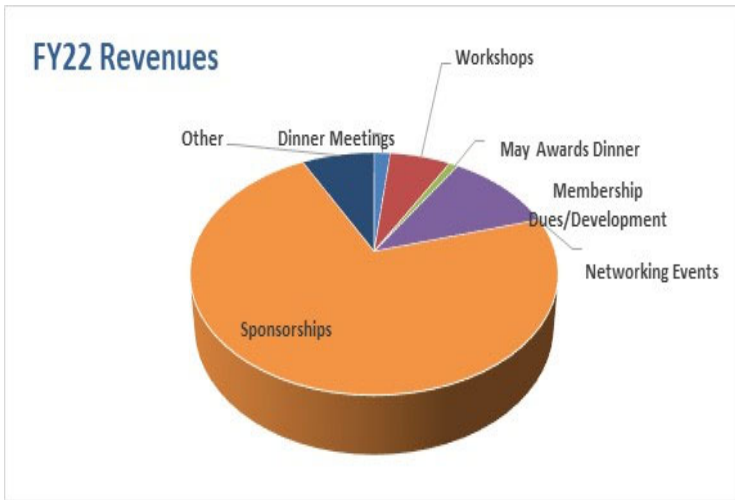

Two successful workshops were held during FY2021-2022. Our Winter Workshop was conducted with VSCPA and focused on Regulatory & Behavior Ethics Updates. Our Spring Workshop was held in-person and included 4 topic areas:

- Using Technology to Improve Federal Governance, Risk, and Compliance
- U.S. Federal Financial Reporting
- Leveraging Your ERP System to Enhance Internal Controls
- Improving Budget Execution Tracking

## What's Next For Our Chapter?

As we look forward to FY 2022-2023, our Board plans to continue to discover creative ways to connect and empower professionals who support government, from financial management to IT, human resources, cybersecurity and more, to advance good government initiatives, grow their expertise and accelerate their career. We plan to continue to implement several initiatives to help grow our base as a chapter and our presence in the community. These initiatives include:

- Host training events throughout the year to provide continuing professional education (CPE) for our members and extended community.
- Host virtual and hybrid events involving in-person and virtual options to help engage more chapter members.
- Achieve the AGA National Certificate of Excellence for the successful completion and submission of the 2021-2022 CCR Report.
- We also plan to serve our local communities through volunteering at food banks that are providing meals to those in need.
- Continuing the CCR Scholarship Contest, which we offer to college students attending college/university within the state of Maryland
- Increase Member, Industry and Sponsor Value through networking events and expanding social media presence via Twitter, Facebook and Instagram.
