During this year the chapter held the following workshops:

Prevention and detection of fraud

Report on the third annual conference of Inspectors General

The Appropriation Law & Anti-Deficiency Act

On December 16, the *Holiday Dinner Social* was held at the Anchor Inn Seafood Restaurant.

Editor's Note: At press time, the Chapter awardees for 1993 were not known. Likewise, the program for the remainder of the year had not taken place. Therefore, the history for the 25th year is not complete.

EPILOGUE

So, the Montgomery-Prince Georges Chapter of the Association of Government Accountants turns 25. It has been an exciting 25 years, with successes and disappointments like any other organization. What, however, has made this Chapter stand out in the crowd has been the dedication of its officers and members and its ability to find the humor in most situations, no matter how discouraging they may be. The Committee dedicates this history to the memory of two of our most prominent members who have passed on

- Ralph Flaherty and Fred Hedman -

whose efforts over the long history of this Chapter are reflected in the prestige that the Chapter enjoys today.
