| <b>Program Title</b>             | <b>“COVID 19 – A new threat to the Nation’s Fiscal Sustainability. What is the role of accountability community in assessing impact?”</b>  |
| <b>Location</b>                  | Virtual – Zoom Webinar   |
| <b>Date</b>                      | November 16, 2022  |
| <b>Start Time</b>                | 12:00 pm   |
| <b>End Time</b>                  | 1:00 pm  |
| <b>Program Description</b>       | New and emerging threats continue to pose challenges to our Nation’s fiscal sustainability. The accountability community plays a significant role in providing accurate and timely reporting as well analyzing the impact of these threats to the government’s fiscal sustainability. Learn about the experiences of fiscal threats and the financial community responsibility to provide critical reporting and analysis that inform the public and impact the key stakeholder’s decision-making process about developing solutions to fiscal sustainability. |
| <b>Learning Objectives</b>       | Participants will learn about events that could threaten the fiscal sustainability. Further, the participants will gain a basic knowledge of the accountability community’s role in informing key stakeholders about the financial implications caused by economic and/or natural events.  |
