**GENERAL:** Our sixth year saw the continuance of the Chapter's outstanding record of successful accomplishments as we again won second place in the National Chapter Competition Program. The program was excellent, drawing a very high percentage of the membership to the meetings. The "Communique" was informative, contained many good articles and was issued on time every month. The Chapter added a new award this year: Distinguished Leadership. The first recipient, Art Schoenhaut, also received the National

Distinguished Leadership Award. In addition, Sid Baumash brought additional prestige to the Chapter by winning the coveted Robert W. King Award at the National Symposium in Dallas.
