MEETING LOCATION:

Silver Spring Holiday Inn

GENERAL: The Chapter presented two outstanding educational events for its members during the year: a half-day mini-symposium

on "Cash Management" which was attended by 87 and a joint effort with the Washington Chapter of the Institute of Internal Auditors on "Is the Inspector General Concept Working-A Report on the 1970's and Prospects for the 1980's" which was attended by 81. Our unique presentations to high schools and colleges continued. An ad hoc Long-Range Planning Committee was established to chart the course of the Chapter for the next five years. We continued the policy of having a joint dinner meeting with the M-PG Chapter of the National Association of Accountants. We continued our research in cooperation with the National Office to develop standardized procedures for conducting National Symposiums. We also continued the practice of having a December social event in lieu of a regular meeting. This year, we enjoyed "Fiddler on the Roof" at the Burn Brae Dinner Theater. The Chapter leadership was very instrumental in electing the first female National President-Elect, Eleanor Clark. Two of our most prominent members, Art Schoenhaut and Nelson Shapiro, were honored with awards at the National Symposium in Boston. The Chapter unofficially became known as "The Fun Chapter" and this name appeared on the "Communique" masthead for several years.
