

# Leadership

MG Kenneth Nava

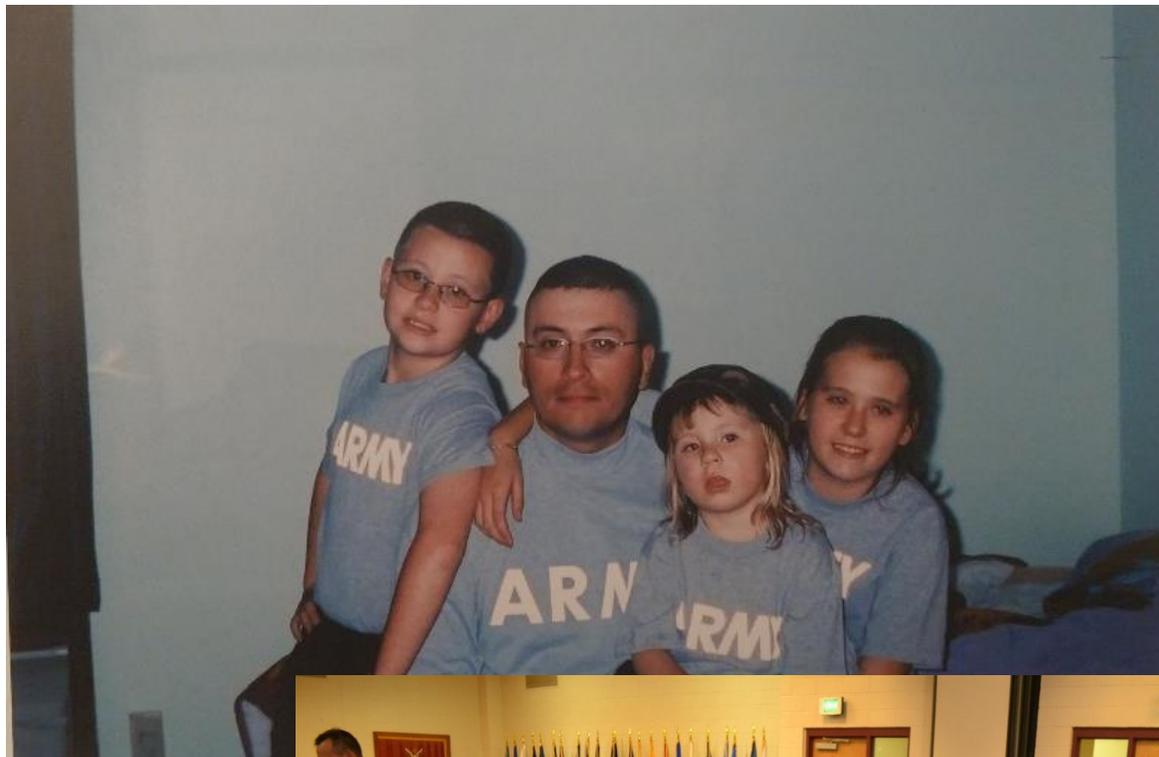

# Agenda

- A little about me
- US Army Doctrine on Leadership
- Mentorship
- Leaders and followers
- Part of the Problem or part of the Solution?
- Know your role
- Follow up!
- Take care of your team
- Leaders have tough jobs
- Communication
- Create a great environment
- Get out of the office
- Don't do more with less, do it differently
- Invest in your team
- Do little personal things for your team
- Be confident, be positive, smile
- Conduct AARs. Implement lessons learned
- Conclusion

# A little about me

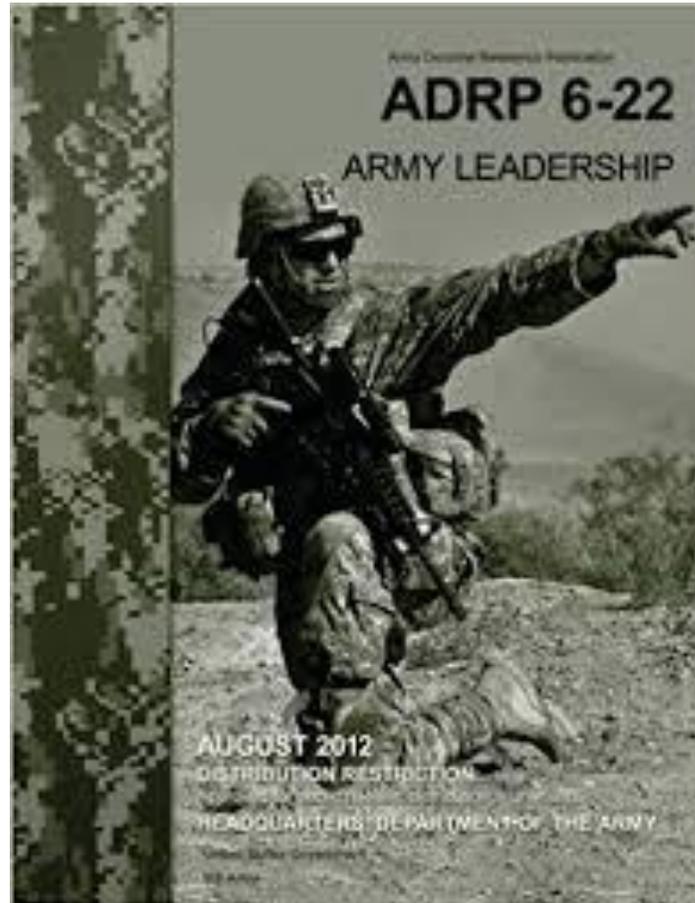

# A little about me

# A little about me

# US Army Doctrine on Leadership

# Mentorship

# Leaders and followers

Part of the Problem or part of the Solution?

# Know your role

Follow up!

Take care of your team

Leaders have tough jobs

# Communication

Create a great environment

Get out of the office

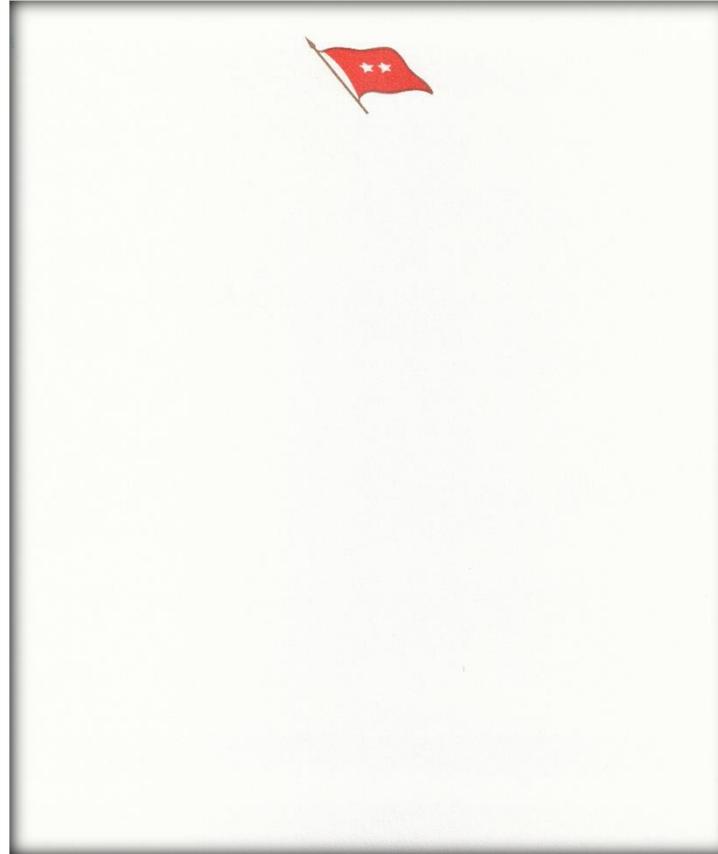

Don't do more with less, do it differently

Invest in your team

Do little personal things for your team

Be confident, be positive, smile

Conduct AARs. Implement lessons learned

# Conclusion

- All of us can be leaders
- Every leader needs a mentor
- Leaders need people to lead
- Take care of yourself
- Be part of the Solution
- Know your role
- Follow up
- Be courageous
- Emulate good leaders
- Be empathetic, understanding and compassionate
- Take care of the people you lead
- Leaders have a tough job
- Leaders must be good communicators
- Ensure your subordinates what they need
- Lead by example
- Don't do more with less, do different
- Do little things for your people
- Be confident, positive, and smile
- A lesson learned isn't learned unless implemented.
