CONNECTIONS FOR SUCCESS

January 24, 2022

Dear Partner In Joy,

On behalf of Bright Futures-Frederick/Winchester, thank you for being a Partner In Joy this past Holiday season. Thanks to you and other members of the community and their desire to give, *Bright Futures* was able to sponsor 305 families with 794 children.

Many students in Frederick County and Winchester City lack basic needs such as food, clothing, and hygiene items. We believe that when the community invests its time, talent, and treasure in our students they are more likely to stay in school through graduation, have a higher degree of self-worth and confidence as well as set and reach goals for the future.

Enclosed you will find thank you notes from your family. I wish you could see the smiles, tears, and overall appreciation shown by the families when they pick up their gifts. I hope these notes allow you to get a glimpse of the joy you brought to your sponsored family.

Bright Futures believes in forming community relationships and support to aid in the success of students in our community. Without generous donors like you in our community, this program would not have been a great success.

Thank you again for your generosity and willingness to support our most valuable resource - our students.

Sincerely,

Nancy Mango
