

Advancing Government Accountability – The AGA

The South Dakota Chapter of the Association of Government Accountants believes the most valuable asset of an organization are the professionals within it. As such, the South Dakota AGA chapter is dedicated to fostering learning, certification, leadership, and collaboration of professionals and stakeholders committed to advancing government accountability. There are several ways in which we achieve this mission, such as:

- ❖ Academic Scholarship – The Chapter has an academic scholarship that members can apply toward their studies.
- ❖ Certified Government Financial Manager (CGFM) Scholarship – The Chapter continues to offer a scholarship reimbursing half the cost of CGFM exam fees for candidates passing all three examinations.
- ❖ CGFM Study Materials – The Chapter continues to offer CGFM study materials to candidates wishing to borrow them.
- ❖ Professional Development Conference – The Chapter continues to offer the best rates to our Chapter members. We hope each and every one of our members will be able to attend and grow from the Professional Development Conference (PDC). We always welcome your input in ways to make the PDC better for YOU!
- ❖ AGA Webinars – Through our partnership with the South Dakota Bureau of Finance and Management, we continue to offer a selection of AGA webinars at no cost to our members (and state professionals, too!).
- ❖ Members Luncheons – The Chapter continues to plan luncheons to network and learn about different topics, including our very popular tax update.

We believe all these resources will be helpful to you and will help you perform the important work of stewardship of the government resources. Together we can continue to advance government accountability in South Dakota!

How Our Chapter Operates

The Chapter is governed by a member-elected Chapter Executive Committee (CEC). This CEC consists of a President, President-elect, Secretary, Treasurer, and various directors. The CEC meets each month to report progress on Chapter initiatives and discuss the months ahead. There are many hard working members that spend their time making this Chapter great! If you have an interest in getting involved, contact anyone on the CEC (see page two for contact information) or visit the [AGA SD Chapter website](#) for more information.

Looking Forward

Goals and Challenges of the Chapter

Challenges

- ❖ **Education:** Identifying and scheduling speakers for both the PDC and audio conferences can be a challenge. We seek to provide training that is timely, relevant, and beneficial.
- ❖ **Membership:** Although we have increased in membership over the past several years, there are still many that would benefit from being members of AGA. We are actively seeking to share how AGA can help financial professionals with their careers.
- ❖ **Leadership and Mentorship:** With sixteen leadership positions within our Chapter, it is important to develop and train future leaders of the SD AGA Chapter. A consistent rotation of new members serving on the CEC will allow for a strong and vibrant CEC.
- ❖ **Professional Certification:** The CGFM is an invaluable certification that allows a person to expand their career opportunities and distinguishes them from others in the field. We currently have several members who have received this certification, but there are many more that are not aware of this opportunity. We continue to inform members of this certification and encourage them to take advantage of the scholarships and reimbursement programs we have available.
- ❖ **Achieving and Maintaining Excellence in Chapter Reporting:** Receiving Certificates of Excellence in reporting is not an easy task. It requires great coordination among the CEC, as well as hard work from various directors. We aim to continue the tradition of distributing high-quality information and meeting the chapter recognition program requirements.

Commitment to Excellence

Our Chapter continues to grow, advance, and develop each year, but we do not rest on our accomplishments. The CEC develops goals each program year. A goal in each area of the chapter is to earn the highest possible points in the Chapter Recognition Program. This helps our great chapter achieve even more! The following is a summary of the goals the CEC has established for the 2019-2020 program year.

Accountability

- Prepare a Citizen Centric Report (CCR) for the South Dakota AGA Chapter.
- Engage chapter members to participate in completing the South Dakota CCR.
- Prepare a CCR in cooperation with the State of South Dakota and receive Certificate of Excellence.

Communications

- Maintain the AGA Facebook page and chapter website with news and events.

Community Service

- Partner with Pierre Area Referral Service (PARS) to fill backpacks.
- Raise money to fund Thanksgiving and Christmas meal boxes.
- Organize a charitable fundraising campaign during the PDC.
- Partner with PARS to offer a Budgeting Course for its clients.

Education

- Organize two membership meetings featuring speakers from the community.
- Host the annual PDC.
- Market the PDC to the government accountability community and advertise the PDC on the National AGA events calendar and chapter website.
- Host AGA audio conferences in partnership with the Bureau of Finance and Management.

Membership

- Continue relationships with local governmental associations.
- Run membership reports monthly.
- Conduct a membership satisfaction survey.
- Oversee and award Academic Scholarship program.

Professional Certification

- Recognize those who earn the CGFM designation.
- Continue to promote the CGFM within the State and Chapter.
- Apply for a gubernatorial proclamation for CGFM month.

Programs and Technical Meetings

- Post newsletters and chapter communications to the Chapter's web page.
- Aide in coordination of chapter events, including webinars, luncheons, and the PDC.
