

A message from the AGA-MOV President-Elect

Hello everyone!

I am excited for this opportunity to lead AGA-MOV during the 2020-2021 program year. I realize that I have big shoes to fill as Dana Morr was an excellent President for these past two years. I want this year to be about us all. I would like to challenge every member of our chapter and potential members to participate and contribute in some way. Even small contributions add up and really go a long way towards having a successful chapter. We have committees such as Education, Community Service, Accountability, Emerging Leaders, Membership, and Communications that could offer an opportunity for you to become involved. Pick something that works for you. Trust me, you will develop great relationships along the way and it will be a rewarding experience. Thank you for all you do to make us successful. I look forward to working with you all!

DOING OUR PART

Serving Members and Community

Community Service

The AGA-MOV supported numerous projects, both financially and by volunteering our time throughout the year. Tammie Johnson, committee chairperson for AGA-MOV Programs, Meetings, and Community Service, revised our plan to include more opportunities to give back to our community. Our members believe whole-heartedly in giving back to the community and making an impact in others' lives both through AGA and other individual efforts. While we are small chapter, we supported many efforts until the COVID-19 stay-at-home orders were issued. The chapter is always eager to serve its community and is continuously looking for opportunities to get involved. Below are just some of the community events AGA participated in for 2019-2020.

- ◆ 2019 Walk to End Alzheimer's.
- ◆ Sent Veterans Holiday Cards at Christmas
- ◆ Wreaths Across America
- ◆ Share the Warmth—Blanket Collection for Homeless and Shelters
- ◆ Toys for Tots—Toy Collection
- ◆ Shoes for Souls—Shoe Collection for Low Income Areas
- ◆ River City Runners and Walkers Club—Winter Series
- ◆ Valentines for Veterans
- ◆ Volunteer Income Tax Assistance Program
- ◆ Provided Clothing and Personal Care Items to the Homeless and Needy High School Students

Parkersburg Half Marathon

Chapter members volunteered their time and efforts to a water stop at the Parkersburg Half Marathon. This event draws runners and walkers from all over the world each year. The chapter had a great time cheering with the community as well as ensuring the safety and hydration of the participants.

State and Local Proclamation

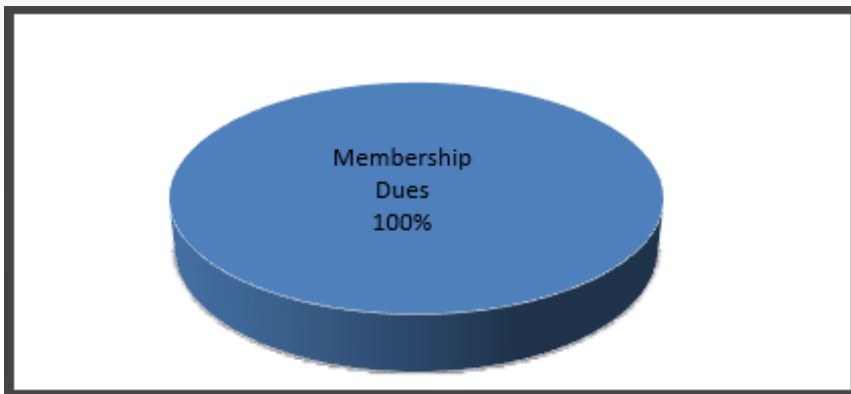

Along with National AGA, the Mid-Ohio Valley chapter declared March 2020 as CGFM Month. The City of Parkersburg Mayor's office issued the chapter a "CGFM Month Proclamation". First row, left to right: Jeremy Stover, CGFM; City of Parkersburg Mayor, Tom Joyce; Dana Morr, CGFM, CPA, chapter president. Second row, left to right: Alyssa Chevalier, CGFM, chapter education/CGFM; Devin Cumpston, CGFM; Michelle Yanok, CGFM, chapter parliamentarian, National Council of Chapters, National Governing Board; Jennifer Swisher, CGFM; City of Parkersburg Finance Director, Eric Jiles, CPA. The chapter also received a proclamation from the West Virginia State Governor, Jim Justice.

CHAPTER FINANCES

Revenues and Expenses

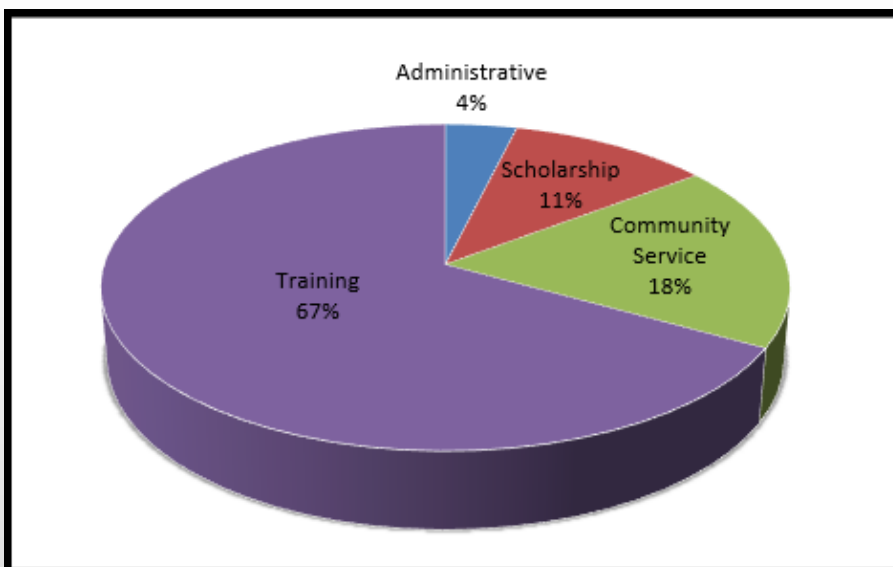

The chapter is a 501(c)(3) organization that is comprised of voluntary board members and committee chairpersons. We raise money by offering training courses, CPE credits, hosting dinner meetings, and obtaining sponsorship. The revenues that we receive from these sources are used to pay the costs incurred, and excess funds are held for future use. Our chapter hosts a Spring Forum every other year, and we also offer the CGFM courses every other year.

Reflection

The 2019-2020 program year has been a successful one. The chapter provided educational opportunities including AGA Webinars, Lunch & Learn events, CGFM exam preparation training, and more. We also served our community in different ways, including working a water stop at the Parkersburg News and Sentinel Half Marathon, supporting Walk to End Alzheimer's, and collecting clothes and personal care items to help the homeless and needy high school students in several school districts, to name a few. We continue to actively seek new members and ways to serve those members with value. We feel this values focus will drive members to become more active and engaged within the chapter. This increased engagement by chapter members should serve our organization well in the years to come and drive us toward an even more successful chapter in the coming years.
