## Financials

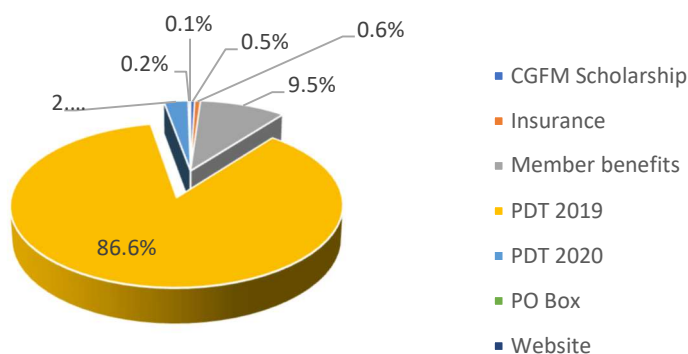

This program year the New Mexico and Albuquerque Chapters were unable to host the yearly PDT for members due to the COVID outbreak. The chapter was also unable to host as many in person luncheon's as usual, both of which have a direct impact on both the financials of the chapter as well as the amount of continuing educational opportunities provided to our members. We were able to provide two free virtual luncheons that provided continuing education.

Revenue and Expense - Two Year Comparison

2020 Expense Categories

The pie chart is a break-down of expense categories for the 2019-2020 program year. The majority of expenses, 86.6%, for the year related to the 2019 PDT. The Chapter was able to send three representatives from the CEC to the National PDT in July 2019. Elena Tercero was a presenter for one of the breakout sessions and also taught a morning fitness class. The remainder of the expenses are scholarships, operating expenses and donations.
