Vision

To represent the premier association for advancing government accountability in our community.

Mission

AGA is a professional association advancing accountability, transparency, and leadership by promoting education, certification, innovation and collaboration across all levels of government and to stakeholders.

our Chapter!

Major Accomplishments

The Ozarks Chapter of AGA has been a nationally-awarded chapter for several years and continued this tradition in the 2019-20 program year. For the first year ever a member was awarded the National President's Award. Congratulations to Greg Drake and thank you for all of your hard work for the Ozarks Chapter.

What's Next? *Challenges and Future Plans*

Student Engagement

The Ozarks Chapter of AGA believes it is important to invest in our college students, the future workforce. Our chapter plans to continue this investment by having a virtual Q&A panel with local educational institutions. Students will also be invited to our Spring seminar free of charge. The Spring seminar is typically heavily attended by students from Missouri State University, Drury University and Southwest Baptist University.

Last year, two scholarships were awarded to college students and scholarships will be awarded for the 2020-21 program year.

Member Convenience

We are excited to be providing our first full day virtual seminar! This option was made possible through collaboration with National AGA, the Dallas AGA chapter, and the Oklahoma City Chapter. Our goal is to continue to provide online CPE opportunities throughout the 2020-21 program year.

Expanded Networking Opportunities

In program year 2020-21, we are continuing to offer expanded networking opportunities through joint meetings with other local accounting and finance associations when in person meetings begin again. Additional virtual options in collaboration with other AGA chapters will provide opportunities to expand your network outside of the local area.
