

AGA Washington, D.C. Chapter Citizen-Centric Report For the Year Ended June 30, 2021

1 Who Are We?

2 How Are We?

3 Revenues And Expenses

4 What Is Next?

From its 1950 foundation as the Federal Government Accountant Association, the Washington, D.C. Chapter of the Association of Government Accountants has been the premier resource for government finance professionals in the Metro D.C. region.

During our 71st program year, we advanced our strategic goals:

- 1 — Promote the Certified Government Financial Manager (CGFM) certificate 
- 2 — Provide comprehensive, diverse, and innovative continuing public education 
- 3 — Serve the community 
- 4 — Communicate our activities and accomplishments to the community 

Since 1950, the Washington, D.C. chapter has grown from 59 members to over 1,700 today. Over 96% of our members responded positively to their satisfaction with chapter membership.

We have embraced the challenges of the COVID-19 pandemic and have emerged stronger and more resilient with electronic meetings and webinars replacing and supplementing our monthly activities.

As we enter 2022, we recognize the excitement and opportunity of this time and look forward to connecting with you!

2020-2021 Chapter Officers

President Paul Lionikis

Past President Malena Brookshire

President-Elect Al Pavot

Treasurer Christy Beck

Secretary Lal Harter

AGA Washington, D.C. Chapter Citizen-Centric Report For the Year Ended June 30, 2021

As we enter our 72nd year of operations, the Chapter will continue to focus on providing attractive and affordable CPE opportunities for our members. Our program includes 8 monthly virtual training events that provide 1 hour of CPE per event.

We are also partnering with the Northern Virginia Chapter on the March 2022 two-day Annual Training which will provide up to 16 hours of CPE. In addition, we are subsidizing the cost of 12 webinars presented by AGA National so that our members can earn 2 hours of CPE per webinar. Further, we will actively coordinate with other Chapters to make additional CPE opportunities available to our members.

We are trying to be responsive to requests from our members to roll out some in-person events. Given the evolving circumstances created by the pandemic, the challenges are fairly obvious.

Our priority has been, and will continue to be, the safety of our members. Based on the current applicable Federal and local public health guidance, we have been able to hold some recent in-person events including the June happy hour, the July Chapter committee planning meeting, the August baseball outing, and the September kick-off dinner.

We plan on holding additional networking events as conditions permit. We are also interested in making our luncheons and our Annual Training accessible in-person if we can. Stay tuned.

None of these activities would be possible without the generous support of our sponsors and volunteers.

[Please refer to our website](#) where we recognize each of the sponsors that promote our operations. This newsletter also includes a description of our various committees so if you're interested in volunteering your time you can check that out and email your interest to agadc1950@gmail.com. Please also use that email address to communicate any ideas, questions or concerns you may have, and I will respond in kind.
