### Education Discussion

**October Meeting Topic.** Mary Ann noted that Sandra Starnes had presented the September topic last year, and former board member Ken Smith had led discussions of article on government financial management. Mary Ann offered to contact Larissa Benson to see if she could give a presentation in October.

Diane sent out a proposed training plan for our educational offerings this year. She discussed the proposal and pointed out the plan is CGFM based and follows the CGFM learning modules. The plan also has a list of webinar options. Gabrielle agreed to make a presentation at the November CPE meeting.

**Testing and roll-out of remote broadcasting.** Mary Ann told the board that the chapter is at the mercy of the GAO when we are in a situation that requires use of their hardware and software as equipment is in its facilities.

Tony Eayrs suggested a discussion on **cyber security** by Ralph Johnson, King County's Chief Information Security Officer.

### Newsletter Editor Report

Tim Dobler reported that the first quarter newsletter was sent out September 3<sup>rd</sup>, and the October newsletter will be reported for the second quarter. The maximum newsletter chapter recognition points for first quarter were reported and submitted to AGA National.

### CGFM Report

Gabrielle mentioned that she wanted to focus on:

- **Pricing** of study books for the CGFM.
- Developing a list of **topics**, she can teach and propose a **schedule**.
- **Outreach** to interested parties. She said she'd like a smaller group for email contacts. She would do a roll-out blurb in the newsletter and then advertise.

Participants can get CPE credit as long as they sign in and out, regardless of where the training is held. She'll report more on this later. Sam asked about study guides and stated that he has two spare section 3 books. He said that the board should consider the logistics for sharing these resources.

### Membership Report

A motion was made to nominate Tony Eayrs as the new Membership Chair. The motion was seconded and was passed. We have 1 new member as of September 1, 2017.

### Community Service Report

Gabrielle stated the Amazon is hosting Mary's Place now and wanted to know if the board wanted to consider reaching out to another organization. Some ideas are supporting organizations around holiday times. ***The board agreed to table community service ideas for the October board meeting.***

### Early Career Report

Sam said he didn't have anything to report. He is reaching out to schools now for recruiting for his work. AGA National had suggested that we connect with the Portland chapter, which hosts a regional Beta Alpha Psi meeting early next year.

### Webmaster Report

Sam said he would update the website as we come up with speakers and topics. Sam receives emails from the Seattle AGA gmail account. He can set this up to forward to the board. The old address at agaseattle.org emails no longer work.
